

HOW DO I CONTACT A PLANS EXAMINER?

You can find examiners' contact information on the first page of the "workflow project status report" or "ProjectFlow - Project Status Report" in ePlans.

If you require an explanation or would like to discuss the comments found in your project status report, please contact the plan examiner directly.

Please do not contact examiners until they have *completed* their review and you have received comments.

Examiners are available in person by appointment only. Please call or email the examiner to schedule an appointment.
