**RE: Review and Entry into the Ontario Public Register of Archaeological Reports: Archaeological Assessment Report Entitled, "Report on the Stage 1-2 Archaeological Assessment of 1345 Lakeshore Road East, Lots 2, 23 and 24 and Part of Lots 1, 3 and 22, Registered Plan H-23, City of Mississauga, Regional Municipality of Peel", Dated Dec 18, 2012, Filed with MTCS Toronto Office on Jan 16, 2013, MTCS Project Information Form Number P361-022-2012**

Dear Mr. Brown:

This office has reviewed the above-mentioned report, which has been submitted to this ministry as a condition of licensing in accordance with Part VI of the Ontario Heritage Act, R.S.O. 1990, c 0.18.<sup>1</sup> This review has been carried out in order to determine whether the licensed professional consultant archaeologist has met the terms and conditions of their licence, that the licensee assessed the property and documented archaeological resources using a process that accords with the 2011 Standards and Guidelines for Consultant Archaeologists set by the ministry, and that the archaeological fieldwork and report recommendations are consistent with the conservation, protection and preservation of the cultural heritage of Ontario.

The report documents the assessment/mitigation of the study area as depicted in Figure 1 (p.5) "Location of the Subject Property", and Plate 5 (p.9) "Archaeological Survey Coverage and Techniques", of the above titled report and recommends the following:

1) As detailed in this report, the Stage 1-2 archaeological assessment of the subject property determined that there are no significant archaeological resources present on these lands. Accordingly, there are no other further concerns for impacts to archaeological resources on the subject property. No further archaeological assessment of the subject property is required.

Based on the information contained in the report, the ministry is satisfied that the fieldwork and reporting for the archaeological assessment are consistent with the ministry's 2011 Standards and Guidelines for Consultant Archaeologists and the terms and conditions for archaeological licences. This report has been entered into the Ontario Public Register of Archaeological Reports. Please note that the ministry makes no representation or warranty as to the completeness, accuracy or quality of reports in the register.

Should you require any further information regarding this matter, please feel free to contact me.

Sincerely,

Katherine Bishop  
Archaeology Review Officer

cc. Archaeology Licensing Officer
