RE: Review and Acceptance into the Provincial Register of Reports: Archaeological Assessment Report Entitled, "Archaeological Assessment (Stages 1 & 2), 6611 Second Line West, Part of Lot 9, Concession 2 West, Geo. Township of Toronto, Now City of Mississauga, Regional Municipality of Peel, Ontario" Dated June 2008 and Received by the MCL Toronto Office on July 4, 2008, MCL Project Information Form Number P001-445-2008, Corporate Project Number 2008-044, MCL RIMS Number 21SB784.

Dear Mr. Wilson:

This office has reviewed the above-mentioned report, which has been submitted to this ministry as a condition of licensing in accordance with Part VI of the Ontario Heritage Act, R.S.O. 1990, c 0.18. This review is to ensure that the licensed professional consultant archaeologist has met the terms and conditions of their archaeological licence, that archaeological sites have been identified and documented according to the 1993 technical guidelines set by the ministry and that the archaeological fieldwork and report recommendations ensure the conservation, protection and preservation of the cultural heritage of Ontario.

As the result of our review, this ministry accepts the above titled report into the provincial register of archaeological reports. No archaeological sites were documented. It is recommended that there are no further concerns for alterations to archaeological sites for the area that has undergone archaeological assessment. This ministry concurs with this recommendation.

Given the above, this ministry is satisfied that concerns for archaeological sites have been met for the area of this development project as depicted by the "*Preliminary Grading Plan, Residences 6611 Harmony Hill, Mississauga, Ontario*" prepared by Lakeland Engineering, dated July 1, 2009, and comprising a total area of 0.825 hectares.

Should you require any further information regarding this matter, please do not hesitate to contact Katherine Cappella, Archaeology Review Officer, Central West Region, at (416) 314-7143 or katherine.cappella@ontario.ca

Sincerely,

Abbey Flower
A/Archaeology Review Officer
