Amendment No. XXX

to

Mississauga Official Plan

for the

City of Mississauga Planning Area

The following text and map designated Schedule "A" attached hereto constitutes Amendment No. XXX.

Schedule "A" of this Amendment is an excerpt from the Mississauga Official Plan Land Use Map, Mississauga Official Plan and the Special Site provision.

Also attached hereto but not constituting part of the Amendment is Appendix I.

Appendix I is a map showing the Existing Land Use of the subject lands and the surrounding area, with the lands affected by this Amendment outlined in black and shaded in grey.

PURPOSE

The purpose of this Amendment is to add a Special Site Policy to permit a 16 storey apartment building with commercial uses on the ground floor and to redesignate a portion of the property as “Greenlands”.

The purpose of this Amendment is to add a Special Site Policy to permit an apartment dwelling containing 334 units and building height of 16 storeys and a net floor space index (FSI) of 5.94.

LOCATION

The lands affected by this Amendment are located south of Dundas Street east of Cooksville Creek, municipally known as 86-90 Dundas Street East.

BASIS

The subject lands are located in the Downtown Cooksville Area, as identified in Mississauga Official Plan. Mississauga Official Plan came into effect on November 14, 2012, save and except for those policies and land use designations which have been appealed to the Ontario Municipal Board. The subject lands and associated policies are not under appeal to the Ontario Municipal Board.

The subject lands are designated “Mixed Use” and are within an area subject to specific policies.

The proposed Amendment is acceptable from a planning standpoint and should be approved for the following reasons:

The proposed amendments to the Official Plan and Zoning By-law are consistent with the Provincial Policy Statement, conform to and implement the Growth Plan, and conform to the Region of Peel Official Plan. The proposed development supports the transit initiatives both existing and planned for the area and will assist the municipality in achieving the planned density target for this urban growth centre.

The overall development layout and architectural design will significantly enhance the pedestrian environment and provide opportunity for additional commercial uses thereby supporting the creation of a complete community. Building location and design are supported by landscaping throughout the site and on applicable terraces as well as along the street’s edge which will enhance and add a human scale to the development.

The development proposal for 86-90 Dundas Street East represents good planning and is supported by provincial, regional, and local planning policies. The development will be highly accessible by pedestrian, cycling, transit and vehicle. Higher order transit service planned for Hurontario and Dundas Streets supports the provision of additional density on these lands.

The proposed development is located within the Cooksville area, an emerging downtown neighborhood that is focused on fostering a built form that is urban, compact, and transit supportive. The development proposal has been designed in accordance with the urban design principles of the Mississauga Official Plan.

DETAILS OF THE AMENDMENT AND POLICIES RELATIVE THERETO

1. Section 12.4.3, Downtown Cooksville Character Area Special Site Policies of Mississauga Official Plan, is hereby amended by adding the following:

12.4.3 .X Site X

The lands identified as Special Site X are located at 86-90 Dundas Street East.

Notwithstanding the provisions of the Mixed- Use Designation, the following additional policies will apply:

- a. An apartment building not exceeding 16 storeys will be permitted and will be permitted to develop to a maximum floor space index (FSI) of 5.94.
- b. A building exceeding six storeys may be setback from the streetline less than 10m.

2. The lands identified on Schedule "1" along the western property line are to be redesignated as "Greenlands".

IMPLEMENTATION

Upon the approval of this Amendment by the City of Mississauga, Mississauga Official Plan will be amended in accordance with this Amendment.

Provisions will be made through the rezoning of the lands subject to this Amendment, for development to occur subject to approved site development, architectural and landscaping plans, to ensure that site access, buildings, parking and landscaping are satisfactorily located and designed.

INTERPRETATION

The provisions of Mississauga Official Plan, as amended from time to time regarding the interpretation of that Plan, shall apply in regard to this Amendment.

This Amendment supplements the intent and policies of Mississauga Official Plan. Upon approval of this Amendment, the various Sections, Schedules and Appendices of Mississauga Official Plan will be amended in accordance with this Amendment, subject to technical revisions being permitted to this Amendment without official plan amendments with respect to: changing the numbering, cross-referencing and arrangement of the text, tables, schedules and maps; altering punctuation or language for consistency; and correcting grammatical, dimensional and boundary, mathematical or typographical errors, provided that the purpose, effect, intent, meaning and substance of this Amendment are in no way affected.
