RE: Review and Entry into the Ontario Public Register of Archaeological Reports: Archaeological Assessment Report Entitled, "Stage 3 Site-Specific Archaeological Assessment for AjGw-574, Part of Lot 4, Concession 4 WHS, (Village of Streetsville, Part of Lots 1 and 2, North of Wyndham Street, West of Main Street, Southeast of Water Street), Geographic Township of Toronto, County of Peel, Now in the City of Mississauga ", Dated Feb 28, 2019, Filed with MTCS Toronto Office on Mar 18, 2019, MTCS Project Information Form Number P052-0895-2018, MTCS File Number 0007597

Dear Mr. Powers:

This office has reviewed the above-mentioned report, which has been submitted to this ministry as a condition of licensing in accordance with Part VI of the *Ontario Heritage Act*, R.S.O. 1990, c 0.18.¹ This review has been carried out in order to determine whether the licensed professional consultant archaeologist has met the terms and conditions of their licence, that the licensee assessed the property and documented archaeological resources using a process that accords with the 2011 *Standards and Guidelines for Consultant Archaeologists* set by the ministry, and that the archaeological fieldwork and report recommendations are consistent with the conservation, protection and preservation of the cultural heritage of Ontario.

The report documents the assessment/mitigation of the study area as depicted in Maps 7-10 of the above titled report and recommends the following:

It is concluded that Site AjGw-574 has no further cultural heritage value or interest and we recommend that Stage 4 mitigation is not necessary or warranted.

Based on the information contained in the report, the ministry is satisfied that the fieldwork and reporting for the archaeological assessment are consistent with the ministry's 2011 *Standards and Guidelines for Consultant Archaeologists* and the terms and conditions for archaeological licences. This report has been entered into the Ontario Public Register of Archaeological Reports. Please note that the ministry makes no representation or warranty as to the completeness, accuracy or quality of reports in the register.

Should you require any further information regarding this matter, please feel free to contact me.

Sincerely,

Jessica Marr
Archaeology Review Officer

cc. Archaeology Licensing Officer
Christopher Zeppa, City Park (Main St) Inc.
Mila Yeung, City of Mississauga
