

Second Line W. neighborhood Traffic Study
Public Meeting
Comment Sheet
Wednesday April 16, 2014

In November 2011, staff from the Ministry of Transportation Ontario and City of Mississauga met with the members of the public to discuss updates on Highway 401 widening project and the implications. The members of the public raised a number of concerns related to the existing transportation operation conditions in the surrounding neighborhood and the Second Line W. vehicular crossing removal proposal by the MTO. The purpose of tonight's meeting is to provide a summary of the public comments collected at the 2011 public meeting and the proposed action items.

Please take a few minutes to complete this Comment Sheet. Your input is greatly appreciated.

1. The City is currently addressing a number of concerns pertinent to the existing conditions in the Second Line W. neighborhood. Are there any other areas which we have missed: Yes or No? If Yes, please provide details.

2. Do you have any comments related to the City's suggested actions?

3. Do you have any other comments in addition to what has already been discussed?

Please complete the following information for our records (**Please Print**):

Name: _____

Address: _____

Email: _____

Information from the comment sheet will be tabulated and incorporated as part of the study documentation. Please place completed sheet into the comment box. If you would like to take more time with your responses feel free to send us your comments via fax or email **no later than April 30, 2014.**
