

**Square One Drive Extension Municipal Class Environmental Assessment  
Environmental Study Report**

Appendix A Consultation

**A.3 PUBLIC SURVEY**

# Square One Drive Extension Class EA

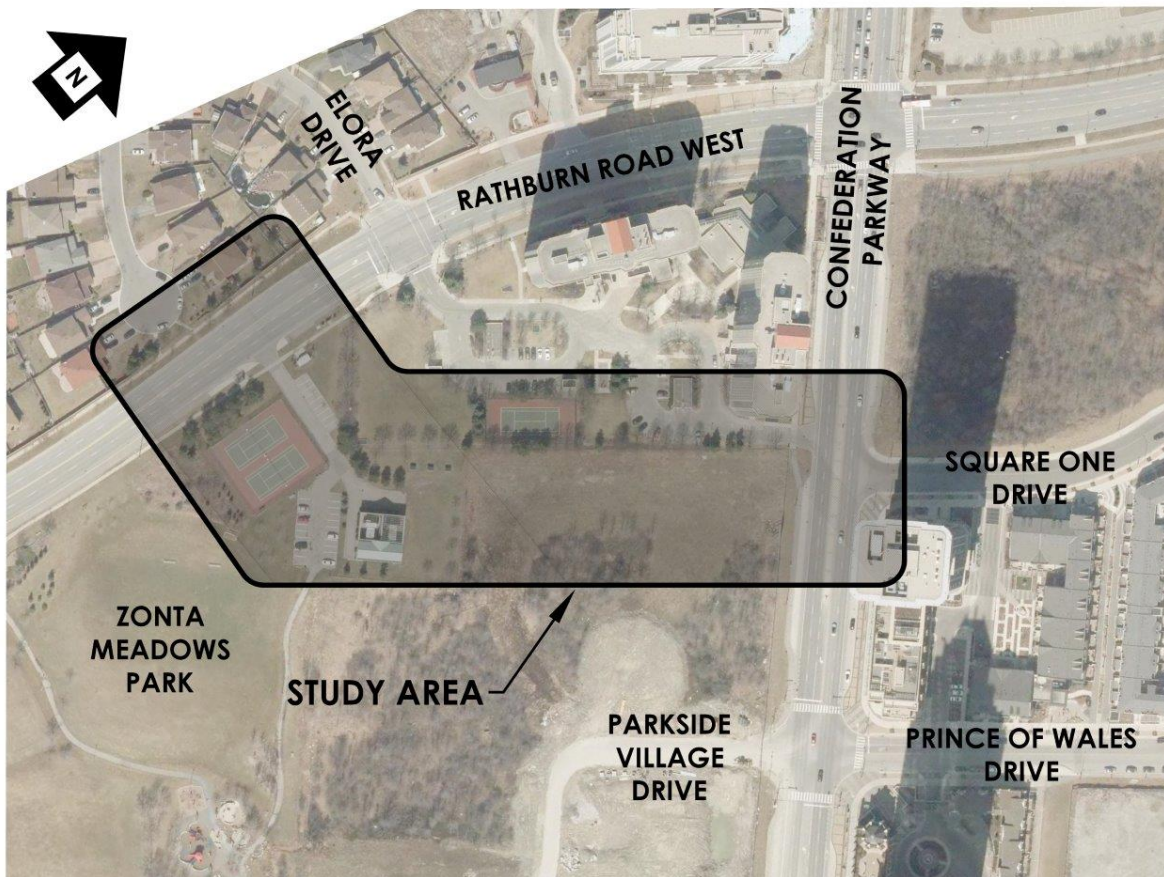

- The City of Mississauga has started studying the extension of Square One Drive, from Rathburn Road West to Confederation Parkway, as part of a study called a Class Environmental Assessment (Class EA).
- Two new intersections – one with Confederation Parkway, and another with Rathburn Road West – would be required for the roadway extension.

Why?

- To improve access to, from, and within downtown Mississauga, and areas beyond.
- To support “multi-modal” transportation and encourage opportunities to travel by walking, cycling, and transit.
- To create a finer street grid in downtown Mississauga with an urban scale, more walkable blocks, new routing options for local trips, and better transit access.
