DECLARATIONS OF CONFLICT OF INTEREST – Nil.DEPUTATIONS

- A. Christopher Davidson, Evidence for Democracy with respect to Climate Change and Stormwater.

Mr. Davidson made a PowerPoint presentation with respect to Climate Change and Stormwater, commenting on responding to climate change, stormwater design, impacts and risks, solutions and next steps.

Mr. Davidson briefly explained stormwater design noting that pipes and overland flow were used and that sizing was based on risk and needs using Intensity Duration Frequency (IDF) Curve statistics from Environment Canada, which are based on historic records. Mr. Davidson spoke to the risks of property damage, the health and safety of residents and the liability involved and noted that Environment Canada is in need of updated IDF Curve statistics, yet are not mandated at this time to do so.

Discussion in support of requesting Environment Canada to update IDF Curve statistics ensued amongst members and a recommendation was agreed upon.

RECOMMENDATION

1. That the PowerPoint presentation by Christopher Davidson, P.Eng, Evidence for Democracy entitled, "Climate Change and Stormwater" to the Environmental Action Committee on April 7, 2015 be received;
2. That Environment Canada be requested to address the issue of climate change, specifically to update the Intensity Duration Frequency (IDF) Curves to facilitate municipal design standards for Stormwater Management.

Referred (L. Mallett)

Recommendation EAC-0003-2015

- B. Lisa Brusse, Credit Valley Conservation with respect to ecological landscaping programs: Your Green Yard and Greening Corporate Grounds.

Ms. Brusse made a PowerPoint presentation entitled, "Grow Back to Nature!". Ms. Brusse spoke to the programs and services offered by Credit Valley Conservation, specifically to the "Your Green Yard" initiative that focuses on ecological landscaping at home and the "Greening Corporate Grounds" initiative that focuses on ecological landscaping at work. Ms. Brusse was advised that Credit Valley Conservation could list their community events on the City's Community Events Calendar.

RECOMMENDATION

That the PowerPoint presentation by Lisa Brusse, Manager Landowner Outreach, Credit Valley Conservation Authority entitled, "Grow Back to Nature!" to the Environmental Action Committee on April 7, 2015 be received.

Received (C. Cooper)

Recommendation EAC-0004-2015

- C. Vivian Peets, Public Relations Coordinator, Communications with respect to Earth Days 2015 and Earth Markets.

Ms. Peets made a PowerPoint presentation entitled, "Earth Days '15". Ms. Peets spoke to the various events happening around the City of Mississauga during Earth Days including the kick-off media opportunity at Stephen Lewis Secondary School and Applewood School, the 20-Minute Makeover on April 22, 2015, the #SaugaEarthDays15 Twitter Chat, Litter Awareness Blitz, and One Million Trees Planting event.

Jessika Corkum-Gorrill, Environmental Specialist, Environment Division announced the City's first Earth Market taking place on Saturday, April 25, 2015 at Iceland Arena. EAC Members were invited to attend the free event featuring workshops, information booths, live music, a film screening, local food and green activities suitable for all ages.

City of Mississauga  
**Memorandum**

**To:** Environmental Action Committee

**From:** Diana Suzuki, Outreach Coordinator, Environment Division, Community Services Department

**Date:** April 27, 2015

**Subject:** Update on Community Environmental Appreciation Event

Background

On May 7, 2013, the Environmental Advisory Committee received a report that outlined options for community recognition. The Committee agreed to move forward with the option to host an annual celebration and networking event in the spring of 2014.

The first annual Community Environmental Appreciation Event was held on June 4, 2014, in partnership with Forestry staff from the Parks and Forestry Division to recognize both environmental and forestry initiatives. About 100 people attended including representatives from community groups, schools, businesses, and City staff.

2015 Event Details

The second annual Community Environmental Appreciation Event is scheduled to be held at C Banquets from 7:00 p.m. to 9:00 p.m. on Thursday, June 11, 2015.

This is an invitation only event that will recognize and thank Green Leaders in communities across the city for their environmental work. An invitation for project submissions has been sent out through a survey to non-profit organizations, school groups, businesses, individuals, and more. Projects will be assessed based on their community involvement and impact as well as their support of the priorities and actions in the Living Green Master Plan.

The evening will feature opening remarks by the Mayor and/or Members of Council, project presentations and networking opportunities. Additionally, projects and initiatives will be highlighted through exhibits and a slide show. Light refreshments will be available.

The draft agenda is as follows:

- 7:00 p.m. - Registration
- 7:20 p.m. - Greetings from the Mayor and/or Members of Council and appropriate staff
- 7:30 p.m. - Project presentations by community groups
- 8:00 p.m. - Networking, exhibits, slide show and refreshments
- 9:00 p.m. - End

Budget

The budget for the Community Environmental Appreciation Event is \$2,000. This amount covers costs related to the venue (C Banquets rental and light refreshments) and some items for gift baskets that guests will have the opportunity to win through a draw. The cost will be shared by both the Environment Division and the Parks and Forestry Division through approved 2015 budgets.
