SIGNS AND TRAFFIC SIGNALS

4. (1) The Commissioner shall be responsible for the erection and maintenance of all authorized signs, traffic control signals, parking meters and parking machines under this By-law. (91-11)
- (2) The Commissioner or his or her designate may erect authorized signs indicating “emergency no parking” at any location where, in his or her opinion, the sign is required,
- (a) to facilitate the removal of snow, ice or debris from highways or from other public property under the City's jurisdiction;
 - (b) to facilitate the construction or repair of curbs, gutters, sewers, water main or other public utilities; or
 - (c) to alleviate temporarily a dangerous or difficult traffic condition; and the Commissioner shall wherever possible erect such signs at least one hour prior to the commencement of the works, if any, and remove the sign one hour after the completion of the said works.
- (3) Notwithstanding the provisions of subsection (1) above, the Chief of Police may erect "emergency no parking" signs in the form prescribed by this By-law in the event of fires, emergencies, parades or large assemblies provided that wherever possible, such signs shall be erected at least one hour before the event is scheduled to take place and shall be removed within one hour of the conclusion of the event.
- (4) No person shall place, maintain or display upon or in view of any highway any sign, signal marking or device which imitates or resembles an authorized sign or traffic control signal or which conceals from view or interferes with an authorized sign or traffic control signal.
- (5) (a) No operator of a vehicle approaching a green signal light at an intersection shall enter the intersection unless traffic in front of him is moving in a manner that would reasonably lead him to believe he can clear the intersection before the signal light turns red.
- (b) Paragraph 5(a) does not apply to the operator of a vehicle who enters an intersection for the purpose of turning to the right or left into an intersecting highway and signals his intention to make such a turn prior to entering the intersection.
- (6) The Commissioner may remove authorized signs indicating “No Parking” and “No Stopping” and may waive the five (5) hour on-street parking maximum at any location where it is deemed appropriate in order to accommodate the parking of vehicles for temporary periods due to the maintenance of parking lots and garages or as a result of the granting of a parking consideration.(263-17)
- (7) No operator of a vehicle shall fail to clear a non-signalized intersection where an authorized sign is posted directing motorists not to block an intersection.
- (8) The Commissioner is authorized to designate a highway or a portion of a highway as a construction zone and has the authority to set a lower rate of speed for motor vehicles driven in the designated construction zone. (154-12)

THE TRAFFIC BY-LAW 555-00

STOPPING, PARKING AND STANDING

5. (1) No person shall stop, park or stand a vehicle on the untraveled portion of a highway or any portion thereof except,
- (a) where there is no raised curb or a rolled curb, he stands, stops or parks the vehicle on the right side of the highway, having reference to the direction in which the vehicle has been lawfully traveling and so that the left side of the vehicle is parallel to the edge of the roadway;
 - (b) on a residential driveway fronting on a local or collector roadway where no sidewalk exists and so as not to overhang the grassed portion of the boulevard, or the curb;
 - (c) notwithstanding paragraph 7(10)(a) and subject to sub-section 7(2) of this By-law, on a residential driveway fronting on a local or collector roadway except on those local and collector roadways listed in Schedule 28 to this By-law:
 - (i) where no sidewalk exists; or
 - (ii) where there is a sidewalk, on the side of the sidewalk closest to the property line; and,
 - (d) on a residential driveway fronting on a local or collector roadway where a sidewalk exists, on the side of the sidewalk closest to the property line and between the curb and sidewalk on those highways listed in Schedule 31 to this By-law so as not to overhang the grassed portion of the boulevard, the sidewalk or the curb.
- (2) Where there is a raised curb, the operator of a vehicle shall stand, stop or park the vehicle on the right side of the highway, having reference to the direction in which the vehicle has been lawfully traveling and so that the right side of the vehicle is parallel to and not more than 30 cm from the curb.
- (3) Where the highway is designated as a one way highway, the provisions of paragraphs (a) and (b) of subsection (1) and sub-section 2 above, shall be modified to include the word "left" wherever the word "right" is used.
- (4) The provisions of paragraphs (a) and (b) of subsection (1) and sub-section 2 above, shall be deemed to be complied with where reasonable attempts have been made to meet the provisions of this section even though an accumulation of snow or ice make it impossible for a driver to comply.
- (5) Notwithstanding paragraphs 5(1)(b) and 5(1)(d) of this By-law, no person shall stop, park or stand a vehicle on the untraveled portion of a highway or any portion thereof except on those local and collector roadways listed in Schedule 28 to this By-law.
- (6) The exceptions set out in subsection (1) above do not apply where an authorized sign prohibits any standing, stopping or parking.

STOPPING

6. No person shall stop a vehicle,
- (1) on or so as to overhang a sidewalk or footpath in a manner that obstructs that sidewalk or footpath, or obstructs access to travel on it;
 - (2) on or so as to overhang a crosswalk in a manner that obstructs that crosswalk or obstructs access to travel on it;
 - (3) on a highway within thirty (30) metres of a road excavation, repair or other road works or construction;

- 27. (1) No person shall turn a motor vehicle at an intersection or portion of a highway on which authorized signs have been erected and are displayed which restrict such turns.
- (2) The intersections or portions of highways set out in Column 1 of Schedule 14 to this By-law are hereby designated as intersections at which vehicles traveling in the direction as set out in Column 2 are prohibited from making turns as set out in Column 3 during the times or on the days set out in Column 4 of the said Schedule.

THE TRAFFIC BY-LAW 555-00

PROHIBITED ENTRY

28. Where authorized signs are displayed, no vehicle shall enter the highways set out in Column 1 of Schedule 24 to this By-law from the highways set out in Column 2 of the said Schedule during the times or days set out in Column 3 of the same Schedule.

LANE DESIGNATION

29. On the highways or portions of highways listed in Column 1 of Schedule 15 to this Bylaw, having been divided into clearly marked lanes between the limits set out in Column 2, each of the lanes indicated in Column 3 is designated for traffic moving only in the direction(s) indicated in Column 4, during the times or days indicated in Column 7, and such designation shall be indicated by the sign listed in Column 6, having reference to Schedule 15 to this By-law.

HIGH OCCUPANCY VEHICLE LANES

30. (1) The highways set out in Column 1 of Schedule 33 to this By-law, having been divided into clearly marked lanes for traffic between the limits set out in Column 2 of the said Schedule, the said lanes indicated in Column 3 of the said Schedule, between the said limits set out in Column 2 and subject to the provisions of subsection (2) hereof are hereby reserved for the use of public transit motor vehicles, taxicabs, and private motor vehicles carrying the specified minimum number of persons as set out in Column 4 of the said Schedule to be classified as high occupancy vehicles during the times or days set out Column 5 of the said Schedule.
- (2) Where a lane of a highway has been designated for the use of high occupancy vehicles only:
- (a) no person shall drive a vehicle other than a public transit motor vehicle or a private motor vehicle carrying the specified number of persons as set out in Column 4 of Schedule 33 to this By-law during the times or days set out in Column 5 of Schedule 33 to this By-law, except that:
- (i) for the purpose of entering onto the highway, a person may exit from such lane not more than 45 metres from the point at which the person enters, or
- (ii) for the purpose of exiting from the highway, a person may enter into such lane not more than 45 metres before the point at which the person intends to exit.
- (b) no person shall stop a vehicle other than a public transit motor vehicle in a high occupancy vehicle lane during the times or days set out in Column 5 of Schedule 33 to this By-law.

BICYCLE LANES

31. (1) The highways set out in Column 1 of Schedule 34 to this By-law, having been divided into clearly marked lanes for traffic between the limits set out in Column 2 of the said Schedule, the said lanes indicated in Column 2 of the said Schedule and subject to the provisions of subsection (2) hereof are hereby reserved for the use of bicycles.
- (2) Where a lane of the highway has been designated for the use of bicycles only, no person shall:
- (a) drive a vehicle other than a bicycle; or
- (b) stop a vehicle other than a public transit motor vehicle.

RESTRICTED LOAD LIMITS

32. Pursuant to Section 122 of the *Highway Traffic Act*, when authorized signs are displayed no person shall drive a vehicle with a load in excess of 5,000 kilograms (5 tonnes) per axle on any highway or part thereof described in Column 1 of Schedule 16 to this Bylaw from the location identified in Column 2 to the location identified in Column 3, during the months or time periods identified in Column 4 of the said Schedule.

THE TRAFFIC BY-LAW 555-00

LOADS ON BRIDGES

33. When authorized signs are displayed, no person shall leave, move or operate a vehicle over any bridge set out in Column 1 of Schedule 17 to this By-law when the vehicle exceeds the gross vehicle weight prescribed for such vehicle as set out in Column 2 of said Schedule.

SPEED LIMITS

34. (1) When any portion of a highway set out in Column 1 of Schedule 18 to this By-law between the limits set out in Column 2 is marked in compliance with the regulations made under the *Highway Traffic Act*, the maximum rate of speed thereon shall be the rate of speed prescribed in Column 3 of the said Schedule.
- (2) In accordance with the *Highway Traffic Act*, no person shall drive a motor vehicle on a municipal roadway at a rate of speed greater than 50 kilometres per hour unless otherwise indicated by an authorized sign.
- (3) Notwithstanding the maximum rate of speed otherwise provided in this section, where the Commissioner has set a lower rate of speed for motor vehicles driven in a designated construction zone and the highway or portion of it has been signed in accordance with the *Highway Traffic Act*, then the maximum rate of speed in the designated construction zone shall be as established by the Commissioner pursuant to subsection 4(8). (154-12)
- (4) When any designated area in Column 1 of Schedule 36 to this By-law is marked in compliance with the regulations made under the *Highway Traffic Act*, the maximum rate of speed thereon shall be the rate of speed prescribed in Column 2 of the said Schedule. (154-19)
- (a) In the event there is a conflict between Schedule 36 and Schedule 18, the maximum rate of speed set out in Schedule 18 shall apply. (154-19)

COMMUNITY SAFETY ZONES

35. Those sections of highway set out in Column 2 of Schedule 32 to this By-law in relation to the highways identified Column 1 of the said Schedule are designated as community safety zones where authorized signs are displayed.

PROHIBITED U-TURNS

36. (1) Where authorized signs are displayed, no driver of a vehicle shall make a U-turn while proceeding upon any highway or into an intersection of a highway as indicated in Column 1 of Schedule 19 to this By-law and in the direction indicated in Column 2 of the said Schedule.
- (2) Where U-turns are lawful, no person shall make a U-turn if it cannot be made in safety and without interference with traffic.
- (3) Where authorized signs are displayed, no person shall make a U-turn on any portion of a highway that is within 150 metres (490 feet) along the highway in either direction beyond the limits of the land used for the purposes of a school.

extend only to the control of the land of which the person is owner and any parking spaces allotted to the person by the condominium corporation or reserved for the person's exclusive use in the declaration or description of the property;

- (iii) the spouse of a person described in clauses (i) or (ii) above;
 - (iv) where the property is included in a description registered under the *Condominium Act*, R.S.O. 1990, Chapter C. 26, as amended, the board of directors of the condominium corporation;
 - (v) a person authorized in writing by the property owner as defined in clauses (i), (ii), (iii) or (iv) above to act on the owner's behalf for requesting the enforcement of a by-law passed under this section.
- (b) “occupant” means
- (i) the tenant of the property or part thereof whose consent shall extend only to the control of the land of which he is tenant and any parking space allotted to him under his lease or tenancy agreement;
 - (ii) the spouse of a tenant;
 - (iii) a person or a municipality, or a local board thereof, having an interest in the property under an easement or right of way granted to or expropriated by the person, municipality or local board whose consent shall extend only to the part of the property that is subject to the easement or right of way;
 - (iv) person authorized in writing by an occupant as defined in clauses (i), (ii) or (iii) above, to act on the occupant's behalf for requesting the enforcement of a by-law passed under this section.
- (2) No person shall park or leave a vehicle on private property without the consent of the owner or occupant of such property.
 - (3) No person shall park or leave any vehicle immobile, unlicensed, leaking vehicular fluids or otherwise on property owned or occupied by the City or any local board thereof without the consent of the City or the local board.
 - (4) No person shall park or leave a heavy vehicle on private property without the consent of the owner or occupant of such property. (113-10)
 - (5) Where a person contravenes the provisions of subsections (2), (3) or (4) above, and subject to Sections (6) and (7), the vehicle shall be tagged and the provisions of Sections 46(1) and 46(2) of this By-law shall apply. (113-10)
 - (6) The driver or owner of a motor vehicle parked or left on private property is not liable to any penalty or to have the motor vehicle removed from such property or impounded except upon the written complaint of the owner or occupant of the property given to a member of the Peel Regional Police Service or a municipal law enforcement officer. (113-10)
 - (7) Where the owner or occupant of property to which this section applies has posted signs stating condition on which a motor vehicle may be parked or left on the property or prohibiting the parking or leaving of a motor vehicle on the property, a motor vehicle parked or left on the property contrary to such conditions or prohibitions shall be deemed to have been parked or left without consent. (113-10)
