(TSC-0034-2016)

GC-0232-2016

Whereas the City of Mississauga has made the shortage of affordable housing a significant priority; and

Whereas the assisted housing wait list in Peel averages 5.3 years – 4.9 years for seniors: 5.7 years for families and 5.2 years for singles – and is increasing; and

Whereas a variety of municipal tools are available to encourage the development of affordable housing including land leases, providing land at below market rates or donating vacant pieces of municipal land to non-profit providers; and

Whereas the fire station at 3136 Victory Crescent, Malton has been boarded up and provided no service nor income to the City for more than 20 years; and

Whereas Habitat for Humanity is an established non-profit provider that keeps housing stock affordable in perpetuity, while moving people through the housing continuum with

rents/payments geared to 30% of family income; and

Whereas Habitat pays taxes in full and requires no ongoing subsidies; and

Whereas eight households can be accommodated on the Victory Crescent property in two semis with legal basement apartments, in a high need community;

Therefore be it resolved

1. That the property at 3136 Victory Crescent be offered, for the token amount of \$2 as is, to Habitat for Humanity for the building of residential units that blend with the adjacent homes.
2. That the property at 3136 Victory Crescent be offered at \$2 with the understanding the fire station will be demolished and debris removed by Habitat according to City standards; the oil tank will be de-commissioned according to City standards and all building permits and development charges due to the City will be paid.
3. That all legal obligations be fulfilled by both parties and a final staff report come to Council at the appropriate time.

Nando Iannicca
Councillor Ward 7
300 City Centre Drive
Mississauga, On
L5B 3C1

Dear Mr. Iannicca:

We would like to request your assistance in the following matter. Residents located on Commonwealth Cir and Copernicus Dr in ward 7 would like to bring forth a petition to have a walkway that connects the above mentioned streets permanently closed.

This walkway in our opinion does not serve the needs of this community. Having lived in this area for 29 years and many of us have been living here since the inception of this neighbourhood, and we believe it has outlived its usefulness.

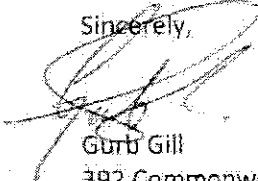

The walkway is not being used by the residents in any meaningful way in this community. It has been noticed by households adjacent to the walkway that it attracts younger crowds at odd hours that are loud and boisterous and affect the lifestyle of the residents. The walkway is a safety concern. It contributes to unhealthy environment and use of drug and alcoholism is observed in the area. It has been noticed that there is ongoing graffiti problem in the neighbourhood along with trash being found not only in the walkway, but as well as on the adjoining streets. It contributes to problem of vandalism in the area.

This neighbourhood is very peaceful, safe and quiet area in the core of this city. The undersigned residents believe that the closure of the walkway will greatly improve the enjoyment of living in this peaceful area. The closure will benefit the city in multiple ways. It will save in snow shoveling cost during the winter and trash clean up during the summer. It will greatly increase the happiness and enjoyment of the residents in aforementioned area.

We (the residents) are open to the idea of your office holding a public meeting to give all residents who have not signed the enclosed petition to voice their opinion.

We kindly request your co-operation to have this walkway permanently closed. If you need any further information, please don't hesitate to contact the undersigned.

Sincerely,

Gurb Gill

PETITION TO REVISE THE APPLICATION OF THE STORM WATER TAX

We the undersigned, property owners in Ward 2 Mississauga, strongly object to the application of the Storm Water Tax and wish to bring our concerns to the attention of the Mississauga City Council and Senior Staff of Peel Region.

After researching the new Storm Water charge, we feel strongly that this is an unfair tax and that the calculation and application of this tax is inappropriate.

It appears that no thought has been given to the type of property (sand/soil), the fact that there are no storm sewers on the street, and the efforts that property owners have made to prevent runoff of rain/melting snow water (e.g., installation of French drains, etc.) have not been considered. The approach to calculation of the tax is disputable.

THEREFORE, we call on the City Council to reconsider this tax.

Re: Temporary Extension of Liquor License

To: Whom It May Concern:

I am contacting the AGCO to request four extensions to our existing liquor license # 44180, on behalf of the Streetsville Branch 139 of The Royal Canadian Legion. The four events are:

1. Bread & Honey Festival, Friday, June 3rd and Saturday, June 4th 2016
2. Canada Day Celebration, Friday, July 1st 2016
3. Steak Barbeque, Saturday, July 16th 2016
4. Corn Roast, Saturday, August 20th 2016

This cover letter will also be sent to the organizations indicated by the "cc" at the end of this letter. They include the required notifications to the Fire, Police, Building Enforcement and Health Departments. The City of Mississauga's Clerk Office will also be sent a copy, of which they will gain approval by The Mississauga City Council, before they can produce a letter of non-objection. A copy of the letter of non-objection will then be forwarded to your office by mail or fax.

The Streetsville Legion Branch 139 is once again proud to be hosting several community events this summer that will increase public awareness of our goals and objectives as well as our commitment to serving the community and providing much needed funds to local, regional, provincial and national organizations. Our local concerns include Veterans, and seniors' needs, our local Hospitals, four Cadet Corps, as well as many others on an as needed basis. Some of the funds raised from these events as well as our dedication to our annual Poppy Campaign also support provincial and national Legion charity programs and provide much good to our Canadian Society.

Lest we forget

We intend to utilize our licensed premises and patio, some of our parking lot, and grassy area on the north side of the building, as we have in previous years. We will be serving food, liquor and beer in this area and providing live band and DJ entertainment. The entire property is owned by the Legion. We are again preparing to welcome Legion members, as well as non-members visiting or residing in the community. We are hoping to attract 500 people or more to each event.

Hot food will be served with uncooked food kept in coolers, and personal hygiene procedures observed in the proper manner as directed by the Region of Peel Health Unit. No additional buildings will be constructed and we will use temporary tents for shelter of the serving areas only. The conditions and careful procedures as directed by The Mississauga Fire department will be followed in regards to the positioning of all cooking units and fire extinguisher quantity and placement. We will be controlling event access with comprehensive fencing and Legion volunteers acting as our identified Staff, to secure all entry and exit points. A warm welcome to the advice and attendance of The Peel Regional Police is always extended and we expect many officers will take the time to visit as in the past.

The Streetsville Legion has never committed or experienced any disturbances of bylaw or liquor infractions at any event. We plan to keep our record unblemished. We assure total compliance with all Municipal, Fire, Health, AGCO and Security regulations. We eagerly look forward to, once again, serving our community.

Our signing officers for the Streetsville Legion are:

Ola McNutt-President
William Hogg-Legion Seniors Chairman
Benjamin Pearce-Secretary-Treasurer

March, 2016

Dear Friends,

June marks the 32nd anniversary of Seniors' Month in Ontario. To recognize the important role seniors play in our communities, we will be celebrating this year under the theme of, "Seniors Making a Difference."

It's a fitting theme, given how our seniors have built our communities and continue to contribute their time and talents today in many ways.

I would like to encourage you to work with your MPP(s) and municipalities to host Seniors' Month events in your community. We would be happy to help you promote your event on the Ontario Seniors' Secretariat website and via social media. Please send your event details to infoseniors@ontario.ca.

I have asked municipalities to proclaim June as Seniors' Month, and encourage you to support your municipality in recognizing seniors in your community.

Last year we introduced Twitter to our seniors and we were impressed by their enthusiastic response to our online campaign. We plan to do more in 2016! Follow us [@OntSeniors](https://twitter.com/OntSeniors).

I would also like to remind you of our publication called "A Guide to Programs and Services for Seniors in Ontario", which features information on provincial and federal programs and services available for seniors. The Guide is available free of charge in English, French and 14 alternate languages and can be found on our website at: www.ontario.ca/seniorsguide. If you would like to order copies, please visit www.ontario.ca/publications or call 1-800-668-9938.

For more information on these programs and other supports for seniors, you can visit www.ontario.ca/seniors.

Thank you for your consideration and for your commitment to honour our seniors.

Sincerely,

A handwritten signature in black ink, reading "Mario Sergio".

Mario Sergio, Minister

NOTICE OF MOTION

WHEREAS similar to other municipalities in the Greater Toronto Area, the City of Mississauga continues to experience population growth, which requires higher density development, which is desirable and encouraged where it meets the intent and purpose of the City of Mississauga Official Plan because such development facilitates a mix of housing options and helps the City of Mississauga meet its population targets as set out by the Province;

AND WHEREAS the City of Mississauga seeks community benefits through Section 37 of the *Planning Act* in accordance with its Official Plan and Corporate Policy on Bonus Zoning where increases in permitted height and/or density are deemed good planning by Council through the approval of a rezoning application;

AND WHEREAS the City of Mississauga, unlike the City of Toronto, does not currently seek community benefits through the minor variance process pursuant to section 45(9) of the *Planning Act*;

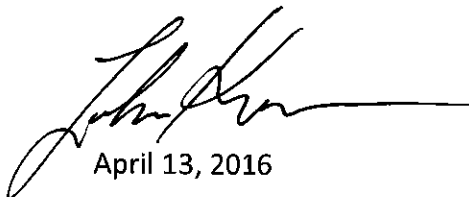

AND WHEREAS the City of Mississauga's Corporate Policy on Bonus Zoning recognizes that a reasonable planning relationship between the secured community benefits and increase in development is required and that this relationship includes the proximity of the community benefits to the proposed development;

AND WHEREAS the City of Mississauga is currently undertaking a review of its policies and procedures on Section 37 through a study that is anticipated to be completed by the end of the year;

THEREFORE IT BE RESOLVED that Council give direction to staff from Planning and Building, with assistance from any other required staff, to include in their review of policies and procedures on Section 37, a review of the following:

- i) To explore whether a policy regime could be put in place that would permit the City of Mississauga to seek community benefits through the minor variance process and to study the merits of implementing such a policy regime;
- ii) To explore with the assistance of the Corporate Services department, whether a policy regime could be put in place that would permit Reserve Fund Accounts that are ward-specific to be established that would allow for the storage of monetary community benefits for use by the City of Mississauga under the direction and guidance of the Ward Councillor and to study the merits of implementing such a policy regime; and

- iii) To report back to City Council through the City of Mississauga's review of its policies and procedures on Section 37 in a timely manner with results on all findings.
