Subject: Deputation Mike Douglas G.C. Grants Wed. 1 February, 2017

Good afternoon Madam Clerk,

For inclusion on Council Agenda on Wed. 8th February, 2017.

Re the above deputation, I am writing to object to the above grant, as there has been no polling or testing done to gauge the market for such a program at this time. I rather agree with Councillor Fonseca that there are numerous technologies available probably at lesser cost which can be attached to the City's website.

I understand the matter has been referred to the new Mississauga Arts Council and therefore postponed until a Report is forthcoming.

Mississauga is a leader in many ways but, this is not the time for this program until there is interest for it and only a test run over a two year period will provide data as to proceeding at any further implementation.

Respectfully submitted, thank you.
