Subject

Tax Adjustments Pursuant to Sections 357 and 358 of the *Municipal Act*

Recommendation

That the tax adjustments outlined in Appendix 1 attached to the report dated February 13, 2017 from the Commissioner of Corporate Services and Chief Financial Officer for applications for cancellation or refund of taxes pursuant to Sections 357 and 358 of the *Municipal Act*, be adopted.

Background

Sections 357 and 358 of the *Municipal Act*, 2001, S.O. 2001, c.25 allow a property owner or the Treasurer to make an application for the cancellation, reduction or refund of taxes for a number of specific reasons. Taxes may be adjusted when a building has been demolished or razed by fire or if a property has become exempt, changed class or has been overcharged by reason of gross or manifest error.

Comments

A total of 49 applications for tax adjustments have been prepared for Council's consideration. Of this total, 12 applications pertain to the June 28, 2016 Hickory Drive explosion.

The total cancellation or refund of taxes as recommended is \$97,284.60. Appendix 1 outlines the tax cancellations being recommended by property and summarizes by appeal reason the number of applications and tax dollars recommended for reduction.

Following Council's decision, a Notice of Decision will be mailed to all residents and their taxes will be adjusted accordingly. With the exception of section 358 tax appeals, if the applicant disagrees with the amount of the tax adjustment, they have 35 days from the date of the Notice of Decision to appeal Council's decision to the Assessment Review Board. Council's decision with respect to section 358 tax adjustments is final.

Council	2017/02/13	2
---------	------------	---

Financial Impact

The City's portion of the cancellations resulting from the Section 357 and 358 tax adjustments is \$24,175.09.

Conclusion

Tax appeals for 2014, 2015 and 2016 taxation years are listed in Appendix 1. The *Municipal Act* requires Council to approve the tax adjustments.
