That the report dated February 15th, 2018, from the Commissioner of Community Services, recommending a three year renewal of Temporary Use By-law 0126-2015 for the Port Credit Culture Node, be approved.

File: CD.07.POR (W1)

PDC-0021-2018

That the report dated February 23, 2018, from the Commissioner of Planning and Building regarding proposed amendments to Mississauga Official Plan (MOP) and/or the Zoning By-law to redesignate and rezone six City owned properties be received for information, and notwithstanding planning protocol, that the Recommendation Report be brought directly to a future Council meeting.

File: CD.21.CON

PDC-0022-2018

1. That the report dated February 23, 2018, from the Commissioner of Planning and Building regarding the applications by Erindale Village Living Inc. to permit an eight storey mixed use building with 96 residential units and commercial uses on the ground floor under File OZ 16/009 W7, 1646 Dundas Street West, be received for information.
2. That eight oral submissions made to the Planning and Development Committee at its meeting held on March 19, 2018, be received.

File: OZ 16/009 W7

REPORT 6 - 2018

To: MAYOR AND MEMBERS OF COUNCIL

The General Committee presents its sixth report for 2018 and recommends:

GC-0143-2018

That the deputation by Jodi Robillos, Acting Director, Parks and Forestry and Jamie Ferguson, Aerial Project Lead regarding the 2018 Gypsy Moth & Fall Cankerworm Aerial Spray Program be received.

GC-0144-2018

That the deputation by Dr. Jessica Hopkins regarding the 2018 Gypsy Moth & Fall Cankerworm Aerial Spray Program from a public health perspective be received.

GC-0145-2018

1. That the Corporate Report dated March 7, from the Commissioner of Community Services entitled "2018 Gypsy Moth & Fall Cankerworm Aerial Spray Program" be received for information.
2. That existing PN 17406 Gypsy Moth Cankerworm Management gross budget be increased from \$1,600,000 to \$1,950,000 with the additional \$350,000 funded from the Reserve for Contingency (30125).
3. That the Purchasing Agent be authorized to amend the contract, in a form satisfactory to Legal Service, with Zimmer Air on a sole source basis in the estimated amount of \$1.7 million to carry out the 2018 aerial spray program.
4. That all necessary bylaws be enacted.

GC-0146-2018

That the deputation by Heather Coupey, Community Development Coordinator regarding revisions to the Community Group Support Program Policy 08-01-01 be received.

GC-0147-2018

That the deputation by David Huctwith, President, Mississauga Southwest Baseball Association regarding the revisions to the Community Group Support Program Policy 08-01-01 be received.

GC-0148-2018

That the deputation by Tony Jasinski, President, Mississauga Majors Baseball Association regarding revisions to the Community Group Support Program Policy 08-01-01 be received.

GC-0149-2018

1. That the revised Community Group Support Program Corporate Policy and Procedure (08-01-01) be approved and implemented by April 9, 2018 to allow for system updates in the Customer Service Centre.
2. That the revisions to Corporate Policy and Procedure 08-03-07 - "Outdoor Sports Field Management", as outlined in Appendix 3 of the Report from the Commissioner of Community Services dated February 16, 2018, be approved.
3. That the revisions to Corporate Policy and Procedure 08-03-03 - "Arena Ice Allocation", as outlined in Appendix 4 of the Report from the Commissioner of Community Services dated February 16, 2018, be approved.
4. That all necessary by-laws be enacted.

GC-0150-2018

That the deputation by Tony Li and Krum Bibishkov, Vice-President, Real Mississauga Soccer Club with respect to receiving support from the City of Mississauga be received.

GC-0151-2018

That the deputation by Silvia Fraser, Manager, Security Services regarding security in City facilities be received.

GC-0152-2018

That the Corporate Report titled "Security in City Facilities, Properties and Transit - Strategic Directions and 2017 Annual Summary", from the Commissioner of Corporate Services and Chief Financial Officer dated February 13, 2018 be received for information.

GC-0153-2018

That a by-law be enacted to amend the Traffic By-law 555-2000, as amended, to implement 15-hour parking anytime on the south side of Erin Centre Boulevard in the lay-by between a point 80 metres (262 feet) west of Churchill Meadows Boulevard and a point 175 metres (574 feet) westerly thereof, as outlined in the report from the Commissioner of Transportation and Works, dated March 6, 2018 entitled "15-Hour Parking Anytime (Lay-by) - Erin Centre Boulevard (Ward 10)".

(Ward 10)

GC-0154-2018

1. That the Corporate Report titled, "Contract Renewals for City Standard Building Automation System Maintenance and Support" dated February 28, 2018 from the Commissioner of Corporate Services and Chief Financial Officer, be received;
2. That the Building Automation Systems provided by Siemens Canada Limited, Convergent Technologies (formerly Thermo Automation Canada), and Ainsworth Inc. (formerly Direct Energy) continue to be designated as City Standards for the period of 2018 through to 2023;

-
3. That the Purchasing Agent or designate be authorized to execute the appropriate forms of commitment to Siemens Canada Limited for ongoing building automation system maintenance and support in an estimated amount of \$1,050,000, excluding taxes, based on a five year contract term, commencing in 2018 through to 2023;
 4. That the Purchasing Agent or designate be authorized to execute the appropriate forms of commitment to Ainsworth Inc. for ongoing building automation systems maintenance and support in an estimated amount of \$300,000, excluding taxes, based on a five year contract term, commencing in 2018 through to 2023;
 5. That the Purchasing Agent or designate be authorized to execute the appropriate forms of commitment to Convergent Technologies Ltd. for ongoing building automation systems maintenance and support in an estimated amount of \$800,000, excluding taxes, based on a five year contract term, commencing in 2018 through to 2023;
 6. That the Purchasing Agent or designate be authorized to execute contract amendments to increase the value of the contracts with Siemens Canada Limited, Convergent Technologies and Ainsworth Inc. where necessary to accommodate growth and for which funding is approved in the budget.

GC-0155-2018

1. That the Inaugural Council meeting for the 2018–2022 term of Council be scheduled on Monday, December 3, 2018 at the Living Arts Centre, Hammerson Hall.
2. That printed tickets for the Mayor and Members of Council's invited guests be used for the 2018 Inaugural Council meeting as outlined in the report titled Inaugural Council Meeting Update dated March 2, 2018 from the Commissioner of Corporate Services and Chief Financial Officer.

GC-0156-2018

That the Purchasing Agent be authorized to increase the contract with Acart Communications (Procurement No. PRC000017) to facilitate additional media buying services for four MiWay advertising campaigns in 2018 by an additional amount of \$225,000 to a revised total contract value of \$798,060.71 (excluding taxes).

GC-0157-2018

That the following Corporate Policy and Procedure be declared obsolete and rescinded from the Corporate Policy and Procedure Manual:

- 07-02-04 – Recovery of Costs of Roads and Storm Sewers

GC-0158-2018

That the deputation from Colin Patterson, Supervisor, Road Safety on February 27, 2018, entitled "Road Safety Section: Available Road Safety Tools", be received.
(RSC-0005-2018)

GC-0159-2018

1. That Legislative Services staff be directed to distribute the “Are You a Distracted Driver” quiz cards to Mississauga community centres and libraries, hospitals, post-secondary institutions and drivers licence centres, to be displayed in April, 2018.
2. That a Promotional Subcommittee of the Road Safety Committee, be established to develop road safety materials and messages and that the following citizen members be appointed to the subcommittee:
 - a. Councillor Pat Saito
 - b. Tony Power, Citizen Member
 - c. Leonard Verwey, Citizen Member
 - d. Anne Marie Hayes, Citizen Member
 - e. Trevor Howard, Citizen Member
3. That the draft 2018 Road Safety Committee work plan, dated February 27, 2018 be approved with the following amendments:
 - a. Include National Public Works Week to the month of May
 - b. Include “National GTA PIA Law Strides for Change”, organized by MADD Canada in the month of June

(RSC-0006-2018)

GC-0160-2018

That the email from Seema Ansari, Technical Analyst, Traffic Safety, Region of Peel, dated February 28, 2018 with respect to Mobile Sign Boards, be deferred to the next Road Safety Committee meeting for discussion.

(RSC-0007-2018)

GC-0161-2018

That the Peel Regional Police Mississauga Road Watch statistics, dated February 20, 2018, be received for information.

(RSC-0008-2018)

GC-0162-2018

That Resolution 0045-2018 regarding Vision Zero, adopted by Council on February 21, 2018, be received for information.

(RSC-0009-2018)

GC-0163-2018

That the Road Safety Event Calendars attached as information items to the Road Safety Committee agenda, dated February 27, 2018, be received for information.

(RSC-0010-2018)

GC-0164-2018

That the Legislative Coordinator be directed to respond to the resident complaint with respect to distracted driving, dated February 23, 2018.

(RSC-0011-2018)

GC-0165-2018

That the request to alter the property at 1050 Old Derry Road as per the Corporate Report from the Commissioner of Community Services dated February 8, 2018, be approved.

(HAC-0029-2018)

GC-0166-2018

That the proposed alteration of 34 John Street South, as per the Corporate Report from the Commissioner of Community Services, dated February 8, 2018, be approved.

(HAC-0030-2018)

GC-0167-2018

That the property at 1775 Fifeshire Court, which is listed on the City's Heritage Register, is not worthy of heritage designation, and consequently, that the owner's request to demolish proceed through the applicable process.

(HAC-0031-2018)

GC-0168-2018

1. That a revised heritage by-law be adopted, as per the Corporate Report dated February 20, 2018 from the Commissioner of Community Services, substantially in compliance with Appendix 1.

2. That Legal Services be directed to complete the appropriate set fine applications and seek the approval of the Ministry of the Attorney General for the related orders by the Senior Regional Justice.

(HAC-0032-2018)

GC-0169-2018

That the 2018 Heritage Planning Work Plan, as outlined in Appendix 1 of the Memorandum dated February 6, 2018 from Paul Damaso, Director of Culture Division, be received for information.

(HAC-0033-2018)

GC-0170-2018

That the request per the Heritage Property Permit Application dated February 27, 2018 from the Peel District School Board to alter the property known as Gardner-Dunton House located at 5520 Hurontario Street (Ward 5), be approved.

(HAC-0034-2018)

GC-0171-2018

That the Committee of Adjustment Minor Variance Application dated February 2, 2018 for a Heritage Designated Property located at 29 Port Street West (Ward 1), be received for information.

(HAC-0035-2018)

GC-0172-2018

That the letter dated February 6, 2018 from Mayor Bonnie Crombie to Hon. Catherine McKenna, Minister of Environment and Climate Change in Canada with respect to implementation of the recommendations of the federal House of Commons Standing Committee on Environment and Sustainable Development regarding the preservation of Canada's heritage, be received for information.

(HAC-0036-2018)

GC-0173-2018

That the deputation by Wai-Lyn Wong, Project Engineer, Pratt & Whitney Canada with respect to the Cycling Master Plan be received.

(MCAC-0011-2018)

GC-0174-2018

That up to three representatives from the Mississauga Cycling Advisory Committee (MCAC) attend the 2018 Ontario Bike Summit in Toronto on April 17 and April 18, 2018 and that the cost to attend the event be funded from MCAC 2018 budget.

(MCAC-0012-2018)

GC-0175-2018

1. That the report dated January 25, 2018, entitled "Requirements for Citizen Appointments to Committees of Council", from Gary Kent, CPA, CGA, Commissioner of Corporate Services and Chief Financial Officer, be received.
2. That the Canadian citizenship remain as a requirement for citizen appointments to Committees of Council, as outlined in Corporate Policy 02-01-01 Citizen Appointments to Committees, Boards and Authorities.

GC-0176-2018

That the 2017 statement of remuneration and expenses detailed in Appendix 1 attached to the report dated March 2, 2018 from the Commissioner of Corporate Services and Chief Financial Officer entitled 2017 Council Remuneration and Expenses be approved as amended to indicate under Alectra Board of Directors that "January 2017 only as Enersource Corporation prior to merger".

GC-0177-2018

That the report entitled "Political Advertising Inside City Facilities" from the City Solicitor be received for information.

GC-0178-2018

1. That the draft new Corporate Policy and Procedure – City Plaques, attached as Appendix 1 to the Corporate Report titled Official Openings and Events Policies dated March 2, 2018 from the Commissioner of Corporate Services and Chief Financial Officer, be approved.
2. That Corporate Policy and Procedure – Plaques Commemorating Official Openings (06-01-01), attached as Appendix 2, to the Corporate Report titled Official Openings and Events Policies dated March 2, 2018 from the Commissioner of Corporate Services and Chief Financial Officer, be rescinded.
3. That the draft revision to Corporate Policy and Procedure – Civic Protocol (06-02-01), attached as Appendix 3, to the Corporate Report titled Official Openings and Events Policies dated March 2, 2018 from the Commissioner of Corporate Services and Chief Financial Officer, be approved.
4. That the draft Corporate Policy and Procedure – Official City Openings/Events, attached as Appendix 5 to the Corporate Report titled Official Openings and Events Policies dated March 2, 2018 from the Commissioner of Corporate Services and Chief Financial Officer, be approved.
5. That Corporate Policy and Procedure – Event Protocol (06-02-02), attached as Appendix 7 to the Corporate Report titled Official Openings and Events Policies dated March 2, 2018 from the Commissioner of Corporate Services and Chief Financial Officer, be rescinded.
6. That the draft revision to Corporate Policy and Procedure – Property and Facility Naming and Dedications (05-02-02), attached as Appendix 8 to the Corporate Report titled Official Openings and Events Policies dated March 2, 2018 from the Commissioner of Corporate Services and Chief Financial Officer, be approved.

GC-0179-2018

That the name of the Spectator Arena Complex be amended from “Paramount Centre” to “Paramount Fine Foods Centre” as outlined in the Corporate Report dated March 8th, 2018, from the Commissioner of Community Services.
(Ward 5)

GC-0180-2018

That the verbal update during Closed Session regarding a personnel matter be received for information.

Re: Petitions resubmitted with additions in reference to File # OZ-16/009[W7]

This is to confirm that the two set of petitions submitted to you last evening (March 19) by Mr. David Lawton at the Planning and Development Committee Meeting at City Hall contain additional signatures to those submitted to Ms Greer under date of January 23, 2017.

Like the original signers they each recognize and have accepted that their signature becomes a public record.

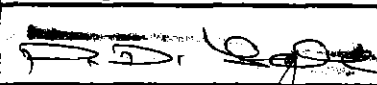

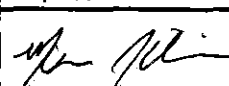

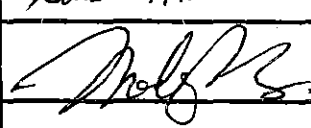

The total number from Erindale Village signing the petition requesting retention of the present C-4 Zoning By-law of the Official Plan at 1646 Dundas Street West now represents 100 % of the illegible residential occupied homes. Not counted in the 135 Village homes where some properties that were either vacant, under construction by absent owners, student occupied or temporary renters. The total number of homes from which signatures were obtained – 128.

Petition Residents of Erindale Village

Re: File # OZ-16/009[W7]

We, the undersigned residents of Erindale Village, strongly request the Council of the City of Mississauga to retain the present Zoning By law in the Official Plan of PL LT 4 E Side of First Forty Foot Road PI TOR7 located and known as 1646 Dundas Street West, Mississauga, zoned R-C Commercial.

In addition, that no approval be granted for any application to change or amend the present Zoning By law in the Official Plan at this location or adjacent lands.

City of Mississauga Memorandum

Date: 2018/03/05

To: Mayor and Members of Council

From: Ed Sajecki, Commissioner of Planning and Building

Meeting Date: March 28, 2018

Subject: Review of Commercial Motor Vehicle Parking Regulations to permit the parking of small school buses on residential properties
File :BL.09-COM

At its meeting on February 26, 2018, Planning and Development Committee received the report dated February 6, 2018, from the Commissioner of Planning and Building regarding the review of the existing commercial motor vehicle parking regulations, which includes small school buses, and made the following Recommendations:

PDC-0012-2018

1. That the report dated February 6, 2018, from the Commissioner of Planning and Building regarding the review of the existing commercial motor vehicle parking regulations, which includes small school buses, be received for information.
2. That staff be directed to obtain feedback on the possible amendments to the Zoning By-law and/or Traffic By-law contained in this report.

The Committee members discussed the current regulations for parking commercial motor vehicles, including small school buses, on residential properties, and concluded that no amendments to Zoning By-law 0225-2007 should be pursued at this time. However, the question was raised as to whether an amendment to the Traffic By-law is needed to permit small school buses to park on municipal roads during the daytime.

Planning and Building Department staff have confirmed with staff in Parking Enforcement, Transportation and Works Department, that all school buses are permitted to park on any municipal highway for a period of five hours unless the area is otherwise signed.

No further action is required on this matter.

Edward R. Sajecki, Commissioner of Planning and Building

PUBLIC MEETING INFORMATION REPORT (All Wards)

Review of Commercial Motor Vehicle Parking Regulations to permit the parking of small school buses on residential properties

File: BL.09-COM

Recommendation

1. That the report dated February 6, 2018, from the Commissioner of Planning and Building regarding the review of the existing commercial motor vehicle parking regulations, which includes small school buses, be received for information.
2. That staff be directed to obtain feedback on the possible amendments to the Zoning By-law and/or Traffic By-law contained in this report.

Background

At the City Council meeting on December 13, 2017, Councillor McFadden requested that staff investigate the possibility of permitting small sized school buses to park in private residential driveways, consistent with the City of Brampton.

Comments

All school buses, regardless of size, are classified as commercial motor vehicles in the Zoning By-law. Regulations for school bus parking are the same as for all other commercial motor vehicles, except that school buses are permitted to park at places of religious assembly, private and public schools. See Appendix 1 for the existing regulations with respect to parking of commercial motor vehicles.

Permission to park commercial motor vehicles, including school buses, in residential zones has been in place for many years in Mississauga. A review of the regulations was undertaken in 1994, and by-law amendments were adopted in April 1995. The regulations permitted one commercial motor vehicle to park on any residential property subject to weight and size limits. In June 2007, additional regulations for parking of commercial motor vehicles on residential

properties were adopted. The permitted size was increased to 5.6 m (18.4 ft.) in length and 2.0 m (6.6 ft.) in height and 3 000 kg (3 tons) gross vehicle weight.

To evaluate the possibility of allowing small buses to park on residential driveways, staff surveyed other municipalities and reviewed the regulations for driveway sizes in relation to the size of commercial motor vehicles, including small school buses.

The purpose of this report is to provide preliminary information on parking of commercial motor vehicles, including small school buses, in residential zones, and to seek comments from the community, the school boards in Mississauga and the school bus companies that provide service in Mississauga.

Size of Driveways

The length of a residential private driveway is determined by two factors – the required front yard setback to the house and the setback to the garage. A private driveway can range in length from 9.0 m (29.5 ft.) on large lots, typically located in south Mississauga, to 5.8 m (19 ft.) on lots in newer subdivisions, such as Churchill Meadows.

The driveway is measured to the property line, not the curb, meaning that the pavement length is not the entire driveway length. The bottom portion of every driveway includes part of the road allowance (see Appendix 2). Parked vehicles are not permitted to overhang onto a sidewalk, boulevard or municipal roadway.

Although commercial vehicles are permitted to park on residential properties, they must fit in the garage or driveway of the residential property. See Appendix 3 for a breakdown of driveway length by zone category and other parking related regulations, including parking space and garage sizes.

Size of Commercial Motor Vehicles

Commercial motor vehicles as defined in the zoning by-law include pick-up trucks used as commercial vehicles, cargo vans and school buses. The Zoning By-law regulates the size (length and height) of these vehicles when parked on a residential property. The impact on neighbours is mostly due to visual distractions, affected sightlines and concerns with compatibility. The table below indicates the range of sizes of these types of vehicles:

	Length	Height
Zoning By-law regulations	5.6 m (18.4 ft.)	2.0 m (6.6 ft.)
Small school bus –smaller models	6.2 m (20.2 ft.)	
Small school bus –larger models	7.3 m (24 ft.)	
Pick up truck	5.3 m (17.4 ft.)	

Planning and Development Committee

2018/02/06

3

Originator's file: BL.09-COM

–smaller models		
–larger models	6.7 (22 ft.)	
Cargo van	5.5 m (18 ft.)	
–smaller models		
–larger models	6.7 m (22 ft.)	

Homeowners with commercial vehicles that are larger than what the Zoning By-law permits need to apply to the Committee of Adjustment for a variance to the regulations, however, if the vehicle cannot be parked entirely on private property, the variance cannot be supported.

Other Jurisdictions

A survey of other municipalities was undertaken to compare parking regulations on residential properties. School buses and other commercial vehicles are often referred to as "oversized vehicles". No vehicle, commercial or personal, is permitted to overhang onto a sidewalk, boulevard or roadway in the municipalities that were surveyed.

Municipality	Zoning Regulations for Oversized Vehicles		
	Length	Height	Special Exception
Mississauga	5.6 m (18.4 ft.)	2.0 m (6.6 ft.)	
Brampton	6.7 m (22 ft.)	2.6 m (8.5 ft.)	Exceptions can be granted for small school buses from Sunday night to Friday afternoon during school year only
Milton	7.0 m (23 ft.)	2.6 m (8.5 ft.)	
Burlington	6.0 m (20 ft.)	2.6 m (8.5 ft.)	
Oakville	not permitted		
Vaughan	not permitted		

ITEMS FOR CONSIDERATION

The following is a list of items for consideration with respect to small school bus parking:

- Define small school buses as a separate category of commercial motor vehicle
- Amend the zoning regulations to increase the permitted size of a small school bus on residential properties

For properties that are too small to accommodate a small school bus, consideration could be given to amending the Traffic By-law to:

- Permit on-street overnight parking permits Sunday night to Friday afternoon for small school buses
- Permit on-street daytime parking permits Monday morning to Friday afternoon for small school buses

Planning and Development Committee

2018/02/06

4

Originator's file: BL.09-COM

Financial Impact

There is no financial impact associated with this matter.

Conclusion

Should Council wish to consider allowing small school buses to be parked on driveways and/or residential streets, staff will consult with City Parking Enforcement staff, the school boards with jurisdiction in the City of Mississauga, school bus companies and residents, and bring forward proposed amendments to a future public meeting.

Appendix 1

Current Regulations for Commercial Motor Vehicle Parking in Residential Zones**4.1.10 Parking of Commercial Motor Vehicles**

The parking of a **commercial motor vehicle** in Residential Zones shall comply with the provisions contained in Part 3 of this By-law and the following:

- 4.1.10.1 A **commercial motor vehicle** shall only be parked on a **driveway** or within a **garage**; (0325-2008)
- 4.1.10.2 A maximum of one (1) **commercial motor vehicle** shall be parked on a **lot** in a Residential Zone subject to the following:
 - 4.1.10.2.1 The **commercial motor vehicle** shall be less than or equal to 3 000 kg registered gross weight or 2 600 kg vehicle curb weight and be less than 5.6 m in length and 2.0 m in **height**;
 - 4.1.10.2.2 The required number of **motor vehicle parking spaces** for the applicable Residential Zone shall be maintained, not including the space used for the parking of a **commercial motor vehicle**.
- 4.1.10.3 A **commercial motor vehicle** that is actively engaged in a delivery and/or service is deemed not to be in contravention of this By-law.
- 4.1.10.4 A maximum of one (1) **commercial motor vehicle** shall be permitted to park entirely within an enclosed **garage** provided that the vehicle can legally access the property and provided that the required number of **parking spaces** for the applicable Residential Zone is maintained.
- 4.1.10.5 The outdoor parking of school buses shall be permitted on lands used for a **place of religious assembly, public school or private school**, provided that such parking shall not be permitted within the required **yards**.

Appendix 3

Single and Semi-Detached Driveway Lengths

Zone	Front yard setback	Garage face	Other regulations
R1 + R2	9.0 m (29.5 ft.)	9.0 m (29.5 ft.)	
R3	7.5 m (24.6 ft.)	7.5 m (24.6 ft.)	
R4 + RM1	6.0 m (19.7 ft.)	6.0 m (19.7 ft.)	
R5 + RM2	4.5 m (14.8 ft.)	6.0 m (19.7 ft.)

Sacha Smith
Manager of Legislative Services and Deputy Clerk
City of Mississauga
300 City Centre Drive
Mississauga Ontario,
L5B 3C1

Dear Ms. Smith,

I would like to thank the City of Mississauga for providing comments on the Draft 2041 Regional Transportation Plan (2041 RTP or RTP). These comments have been reviewed and considered along with feedback from other municipalities and stakeholders. In response to specific priorities identified, please refer to the attached appendix, which addresses those in more detail.

Throughout our comprehensive consultation period, Metrolinx received many requests for clarity on how the 2041 RTP would be implemented, including roles and responsibilities, and implementation timing of the priority actions. In response to these enquiries, the "Making it Happen" section of the 2041 RTP was removed and expanded into a separate *Making it Happen* Paper. This paper discusses decision-making, funding, prioritization and performance monitoring, and identifies examples of ways to initiate delivery of each of the 2041 RTP's strategies for discussion.

The Metrolinx Board of Directors approved the 2041 Regional Transportation Plan, pending minor edits, at the March 8, 2018 Board Meeting. The Board also approved Metrolinx to initiate consultation on the *Making it Happen* Paper. The Board materials are available [here](#) for your review.

We would also like to extend our appreciation to staff who have participated on the Metrolinx Planning Leaders Forum and Municipal Technical Advisory Committee, as well as all the staff who have contributed to the development and review of the 2041 RTP over the past three years. Input provided through these channels has been instrumental in shaping the 2041 RTP and we hope to continue to foster these relationships. We look forward to continuing to working with the City of Mississauga to realize the Plan. The 2041 Regional Transportation Plan was developed to become a shared vision for all partners and stakeholders in the region and its success can only be realized through region-wide collaboration.

David J. Culham B.A., M.A.

Re: 1648 Dundas Street West

March 12, 2018

I thought the world was unfolding as it should in my senior years, until confronted by the Erindale Village Association and their concerns for the mass and height of a proposal for 1648 Dundas Street West. They have prompted my involvement with all the document that you see included.

I have read all the numerous documents and in particular the Strickland Matelja Heritage Impact & Urban Design Study of Nov., 2017. I make only one observation that the pictorial examples given of new construction against a historic building are interesting but do not compare with the circumstances in the Erindale Village, or with the previously approved guidelines for the 2015 document 16.9.2.1.1 The lands identified as Special Site 1, within which this application falls. (see attached), in which subsection (g) indicates the maximum of three storeys in height.

So an overriding question for decision makers that you must put your mind to is this:

1. **Does this application adequately meet the criteria of the long-term planning goals as outlined in various City Planning documents for this site within Erindale Village and the greater Erindale Official Plan?**

May I provide some historical planning context. Over time, we were able to **reassert the critical role of the Dundas highway as the central organizing spine of the Greater Erindale Community**. Your present Official Plan hold some of that context but not how it unfolds. The Erindale Community in 1974 lay in different planning districts with different criteria. The Dundas was an expanding highway, now arterial road with a Hodge podge of buildings with no planning context to the communities that emerged around it. The 1974 vision is now well placed in your Erindale Community Plan as it actually exists.

In early 1974, we guided the whole of the community to this question of the Dundas and in Erindale Village, this inquiry resulted in the **Erindale Village Study** by Stark Temporale Architects & Planners that holds up 44 years after its completion. This was the first City "special area study that went directly into the Official Plan study started in 1974. The inquiry was intensive, with numerous community meetings with resident input and evaluation. It is reflected in your 2015 document 16.9.2.1.1.

Over time, the community was able to win planning battles at the Ontario Municipal Board but also at the negotiating table with land owners and developers to bring some continuity of massing and form to the Dundas as Main Street Erindale. Some of the development decisions prior to 1974 still have their ugly sting but they were not replicated along the Dundas. A project of 4 apartments of 12 storeys each along the Credit Valley Golf course, then Dundas frontage, was on the first City Council meeting on Jan 4, 1974 pulled back from the Ontario Municipal Board and through discussions found an acceptable configuration that you see today. Other high rise rezonings were changed to give the Dundas a different lower height and massing future. (see attachment of a 1985 article)

What also is the eventual impact, if speculators can see this project as a start on intensification along the whole of the Dundas within Erindale Village or extended to the Dundas from Mavis Road westward to the Village as this would be the highest building approved after 1974? And it is located in the very special policy area 1 but also next to the Credit River Valley. The present building occupying this site represents the forward look of the Village through negotiations at the time in terms of façade materials and the building massing and height.

The second critical factor, which seems to have been missed, is the Credit River Valley, once a Lake Erindale before 1945, and then in the 1960's a garbage dump, farm fields and back yards for yard waste, but later after 1974, as a defining concept of a naturalizing green space with a pedestrian spine for access. This is not only a defining concept for Erindale Village and the larger Erindale community but eventually the whole of the City. That 1974 vision is a reality today.

Since the beginning of the City of Mississauga in 1974, no apartment or any other buildings has been constructed near the banks of the Credit River in Mississauga with the height of this proposal. That is by design and by will. This proposal then may set a negative precedent for construction along the Credit River valley. Presently, when you descend into the valley in Mississauga, there exist no over whelming building mass that can be seen from the valley floor. It is sunshine, trees and open greenery in the heart of the City.

In May of 1974, we referred to a study by a Dr. Harris of Erindale College in which he laid out parameters for solifluction of different materials in the hazardous valley slopes in Erindale. We created the first top of bank by-law policy and hazardous slope policy, which also required dedication of all lands below the top of bank to be dedicated to the City. The first land taken under this policy was just north in Erindale on Mr. Muriano Elia's land. Mr. Elia agreed to the terms and set the pattern in place to this day. Part of that new Credit River policy was to set buildings back from the top of bank and to redirect water flow away from the valley towards the servicing street. A great deal of land in the valley was gifted through discussions.

Additionally, we negotiated the purchase in 1976 of the Erindale Woodlot at the heart of Erindale and on the banks of the Credit, with its previously approved high-rise apartments overlooking the valley. It should be noted with the exception of the construction of the high-rise apartment at the mouth of the Credit River in Port Credit prior to 1974, **no residential apartments or any other buildings along the Credit River valley matches the 8 storey height of this proposal!**

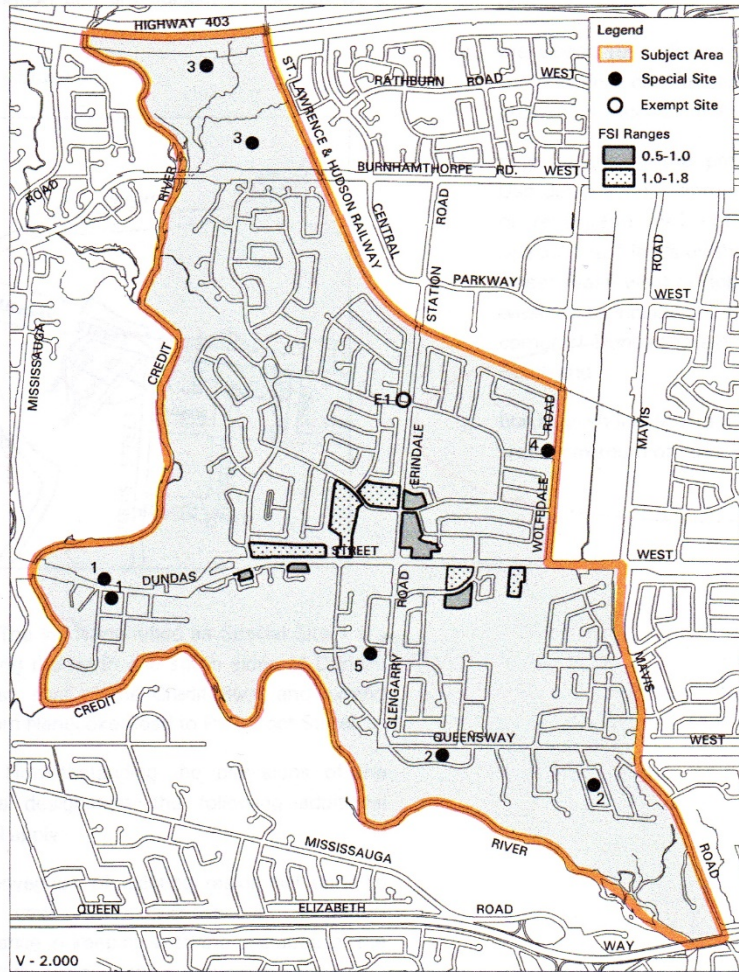

In conclusion, I ask that your deliberations not only put this 8 storey proposal in a broader context than that put forward by the developer's consultants. Make your decision in the context of the City's 2015 document 16.9.2.1.1 that incorporates the early Erindale Village Study 1974, but also in the larger context of the evolution of the Dundas as the shaping central spine of Erindale and in terms of the projects special location immediately adjacent to the Credit River green corridor.

I respect the heavy burden of decision making.

A handwritten signature in blue ink that reads "David".

David J. Culham

16.9 Erindale

Map 16-9: Erindale Neighbourhood Character Area

16.9.1 Land Use

16.9.1.1 Notwithstanding the provisions of the Residential Low Density I designation, the Residential Low Density I designation permits only detached dwellings.

16.9.1.2 Notwithstanding the provisions of the Residential Medium Density designation, the Residential Medium Density designation permits only townhouse dwellings.

16.9.2 Special Site Policies

There are sites within the Character Area that merit special attention and are subject to the following policies.

16.9.2.1 Site 1

16.9.2.1.1 The lands identified as Special Site 1 are located along the north and south sides of Dundas Street West, east of the Credit River and extend easterly from Nanticoke Road to Proudfoot Street.

16.9.2.1.2 Notwithstanding the provisions of the Mixed Use designation, the following additional policies will apply:

- a. any conversion of existing residential units to office uses will maintain a residential appearance in keeping with the character of the existing dwellings in the surrounding area;
- b. any additions or alterations of existing buildings will be sensitive to the village theme of the area, and will be largely confined to the rear of the property;
- c. minimal signage will be permitted and the design of such signage and external lighting will be compatible with the residential character of the area;

- d. for those properties east of Mindemoya Road, on-site parking will consist only of surface parking and will be provided in the rear yard only;
- e. the closed road allowance for Nanticoke Road will provide access to parking and form part of a pedestrian walkway to the Credit River valley;
- f. notwithstanding the provisions of the Mixed Use designation, commercial uses and all types of restaurants will not be permitted within Special Site 1 lands on the south side of Dundas Street West, west of Robinson Street extending westerly to include the lands at the southwest corner of Dundas Street West and Mindemoya Road; and
- g. buildings should have a minimum of two storeys and a maximum of three storeys in height.

The lands identified as Special Site 1, 1974-76 Planning Study

Erindale Village Study completed 1976

MARCH 1985

Dundas Frontage In Erindale

Buildings of painted board, brick chimneys, decorative window shutters and in one case, a white painted veranda and another, a covered arcade stood with two cars parked in front. Several men were busy loading a wagon in front of W.J. Caven's. To the east at the top of the hill stood a prominent brick church with a high steeple. The scene was one of a bustling village along an important road. It was 1912 in Erindale along the Dundas.

While I could learn much from the story of that old road, now black topped and widened to four lanes, I do know of the struggle in the last 12 years to have the Dundas regain its prominence and magic.

Our first efforts in 1971 were to block the highrise apartment buildings and the small non-descript commercial buildings with fast food and other objectional functions while developing new guidelines to shape the future. Since 1982 when we blocked the Burger King rezoning and fought the Glen Erin Development to the OMB, a great deal of effort has been made to stimulate new investment while demanding a high degree of design excellence. Erindale Landing, rezoned in 1979, has finally emerged just east of the Credit River to the delight of all the village residents. Currently, Remax Realty has rezoned, expanded and greatly improved their site on the north side along with the delightful refurbishing of the old Barker building by Astro-Vac. Potential

renewal in the village has been greatly stimulated by these undertakings. It is a pleasure to see the Presbyterian Church and the Froebel School work together for an expanded church and school within their site in the village context.

After the shock in 1983 of a co-op housing project being built in our midst on what was thought to be executive housing, we have worked with the residents, the owners, and Homestart Co-op managers to stimulate a Senior's Co-op building at Credit Woodlands (going to a Ward meeting March 7th). Mr. Simone of Credit Valley Fruit Market has successfully worked over the last several years with the community and myself to bring forward the Old Carriage Place project as an expansion of the Fruit Market with allied shops and boutiques.

With the danger of a large plaza at the edge of both Cooksville and Erindale at Queensway and Mavis, we were able to encourage Westdale Mall to expand and importantly to do the much needed landscaping. The jewel in the Erindale renewal is Mr. Gasparetto's project, Erindale Place, starting on March 1st at Glengarry and Dundas. This building will bring many needed shops and boutiques and will have, as a design focal point, a high clock tower that can be seen from all four

directions.

Yet, there is still so much work to be done. When the Erindale Woodlands plan is processed in 1985, it will be necessary to combine that plan with the West Cooksville to make a new Erindale community plan. The Dundas must be seen not as the edge of several neighbourhoods as suggested by the present arbitrary arrangement, but as the central spine of the Erindale community with Erindale Station Road and Glengarry at Dundas the principal intersection. Stagnation at this centre will bring blight; new investment, properly designed to a high standard, will conversely bring a spark of new life to the whole community. The new ward boundaries based on community of interest will give a new capacity to coordinate development all along the Dundas to the benefit of the entire community.

Just as it provided the vital accessibility for the early Springfield on the Credit, later Erindale, and even still later the Erindale of 1912, the Dundas comes alive in 1985 with new purpose.

Appendix: Responses to Comments Provided by the City of Mississauga on the Draft 2041 Regional Transportation Plan

Comments were received from the City of Mississauga through a staff report dated October 31, 2017.

Comment Received	Response
The City requested assurances from Metrolinx that GO Expansion Regional Express Rail (RER) on the Milton GO Line is also a priority project for completion as part of the Frequent Rapid Transit Network (FRTN), and discussions will continue today and in the near future on how to achieve this service.	<ul style="list-style-type: none"> • The Draft 2041 Regional Transportation Plan (RTP) proposes the expansion of the 15-minute, two-way all-day GO rail network along the Milton Line. This builds on the GO Regional Express Rail program currently underway. This expansion will require extensive infrastructure investments and is subject to a review of physical constraints, as well as discussion and agreement with private railways. • Implementation and phasing of this project is subject to negotiations with private railways. Metrolinx continues to have discussions with CP about improving service on the Milton Corridor.
The freight corridor on Map 3 is not described in the report. Therefore consideration should be given to adding a section on the missing link proposal as it relates to the Milton GO Line and facilitation of GO RER.	<ul style="list-style-type: none"> • At this early stage, it is premature to assume that any specific infrastructure project would be required.
Clarification be provided to show how the various provincial planning documents complement each other; in particular how the Draft RTP aligns with the Growth Plan 2017.	<ul style="list-style-type: none"> • In consultation with the Ministry of Municipal Affairs (MMA), language was strengthened relating to the Growth Plan, to more clearly position the Draft RTP's role in conforming to and supporting its implementation.
The City does not see the need to add another layer in the planning and development review process by adding Metrolinx as a reviewing authority, thus increasing the complexity of the development review process.	<ul style="list-style-type: none"> • In consultation with MMA, Strategy 4 was revised to strengthen language relating to the Growth Plan, more clearly position the Draft RTP's role in supporting its implementation, and revising language related to Metrolinx's role in the plan review process.
It is not clear if Priority Bus Corridors in the Draft RTP are the same as Priority Transit Corridors in the Growth Plan. The Draft RTP should clarify if stops/stations along Priority Bus Corridors are considered Major Transit Station Areas (MTSA) and therefore subject to intensification targets established in the Growth Plan.	<ul style="list-style-type: none"> • Priority Transit Corridors are a defined term in the Growth Plan. Schedule 5 of the Growth Plan shows the Priority Transit Corridors. These corridors are a subset of the corridors that are part of the 2041 FRTN. Intensification targets are only required for Major Transit Station Areas on Priority Transit Corridors. • Note that the Growth Plan provides for additional Priority Transit Corridors to be designated in the future.
Transportation Network Comments	
Maps, project lists and content within the 2041 RTP have been reviewed for alignment with municipal plans. Comments on projects to be added or changed were reviewed to consider any new information provided by municipal partners. See maps for specific changes.	

Comment Received	Response
Metrolinx should consider extending the Waterfront West Light Rail Transit (LRT) to Mississauga Rd.	<ul style="list-style-type: none"> • The alignment of the Waterfront West LRT extension to Mississauga Rd. was reviewed and updated on the maps. As noted on the maps, all project definitions and specific routing details represented are subject to environmental assessments, further analysis, and more detailed project planning.
Metrolinx should consider adding Eglinton Ave. as a Priority Bus Corridor (Currently Mississauga Official Plan identifies Eglinton Ave. as a Transit Priority Corridor and not Britannia/Matheson).	<ul style="list-style-type: none"> • Priority Bus on Eglinton Ave. from Highway 407 to Renforth Dr. was reviewed and the maps and project list have been revised. Priority Bus was also kept on Britannia/Matheson from Highway 407 to Renforth Dr.
Metrolinx should consider extending the Derry Rd. Priority Bus Corridor to Humber College in Toronto for a connection with the Finch West LRT.	<ul style="list-style-type: none"> • Derry Rd. Priority Bus extension to Humber College was reviewed. The maps and project list have been revised to reflect Priority Bus on Derry Rd. from Tremaine Rd. to Humber College.
For the connection between Steeles Ave. and Brampton GO, show alignments in Brampton's LRT Extension study and use the same naming as the City.	<ul style="list-style-type: none"> • Metrolinx changed the name of this project to "Hurontario LRT north extension" for consistency with our naming convention for other projects, and without committing to a specific alignment. All specific route alignments shown on the FRTN are subject to revision based on further study.
Other Considerations from Metrolinx	
<p>Other revisions made to address various comments received:</p> <ul style="list-style-type: none"> • Expanded descriptions for new transit concepts such as Priority Bus, Regional Express Bus and managed lanes. • Improved clarity on the role of the 2041 RTP and Provincial plans. • Strengthened language on the importance of sustainability, accessibility, equity, health and safety. • General edits to text and language to better clarify or emphasize key messages and concepts.

Submission to the Planning Dept and Members of Planning Committee

Re: 1648 Dundas Street West

March 12, 2018

I thought the world was unfolding as it should in my senior years, until confronted by the Erindale Village Association and their concerns for the mass and height of a proposal for 1648 Dundas Street West. They have prompted my involvement with all the document that you see included.

I have read all the numerous documents and in particular the Strickland Matelja Heritage Impact & Urban Design Study of Nov., 2017. I make only one observation that the pictorial examples given of new construction against a historic building are interesting but do not compare with the circumstances in the Erindale Village, or with the previously approved guidelines for the 2015 document 16.9.2.1.1 The lands identified as Special Site 1, within which this application falls. (see attached), in which subsection (g) indicates the maximum of three storeys in height.

So an overriding question for decision makers that you must put your mind to is this:

- 1. Does this application adequately meet the criteria of the long-term planning goals as outlined in various City Planning documents for this site within Erindale Village and the greater Erindale Official Plan?**

May I provide some historical planning context. Over time, we were able to **reassert the critical role of the Dundas highway as the central organizing spine of the Greater Erindale Community**. Your present Official Plan hold some of that context but not how it unfolds. The Erindale Community in 1974 lay in different planning districts with different criteria. The Dundas was an expanding highway, now arterial road with a Hodge podge of buildings with no planning context to the communities that emerged around it. The 1974 vision is now well placed in your Erindale Community Plan as it actually exists.

In early 1974, we guided the whole of the community to this question of the Dundas and in Erindale Village, this inquiry resulted in the **Erindale Village Study** by Stark Tempore Architects & Planners that holds up 44 years

after its completion. This was the first City “special area study that went directly into the Official Plan study started in 1974. The inquiry was intensive, with numerous community meetings with resident input and evaluation. It is reflected in your 2015 document 16.9.2.1.1.

Over time, the community was able to win planning battles at the Ontario Municipal Board but also at the negotiating table with land owners and developers to bring some continuity of massing and form to the Dundas as Main Street Erindale. Some of the development decisions prior to 1974 still have their ugly sting but they were not replicated along the Dundas. A project of 4 apartments of 12 storeys each along the Credit Valley Golf course, then Dundas frontage, was on the first City Council meeting on Jan 4, 1974 pulled back from the Ontario Municipal Board and through discussions found an acceptable configuration that you see today. Other high rise rezonings were changed to give the Dundas a different lower height and massing future. (see attachment of a 1985 article)

What also is the eventual impact, if speculators can see this project as a start on intensification along the whole of the Dundas within Erindale Village or extended to the Dundas from Mavis Road westward to the Village as this would be the highest building approved after 1974? And it is located in the very special policy area 1 but also next to the Credit River Valley. The present building occupying this site represents the forward look of the Village through negotiations at the time in terms of façade materials and the building massing and height.

The second critical factor, which seems to have been missed, is the Credit River Valley, once a Lake Erindale before 1945, and then in the 1960’s a garbage dump, farm fields and back yards for yard waste, but later after 1974, as a defining concept of a naturalizing green space with a pedestrian spine for access. This is not only a defining concept for Erindale Village and the larger Erindale community but eventually the whole of the City. That 1974 vision is a reality today.

Since the beginning of the City of Mississauga in 1974, no apartment or any other buildings has been constructed near the banks of the Credit River in Mississauga with the height of this proposal. That is by design and by will. This proposal then may set a negative precedent for construction along the Credit River valley. Presently, when you descend into the valley in Mississauga, there exist no over whelming building mass that can be seen from the valley floor. It is sunshine, trees and open greenery in the heart of the City.

In May of 1974, we referred to a study by a Dr. Harris of Erindale College in which he laid out parameters for solifluction of different materials in the hazardous valley slopes in Erindale. We created the first top of bank by-law policy and hazardous slope policy, which also required dedication of all lands below the top of bank to be dedicated to the City. The first land taken under this policy was just north in Erindale on Mr. Muriano Elia’s land. Mr.Elia agreed to the terms and set the pattern in place to this day. Part of that new Credit River policy was to set

buildings back from the top of bank and to redirect water flow away from the valley towards the servicing street. A great deal of land in the valley was gifted through discussions.

14.1.3. - 1

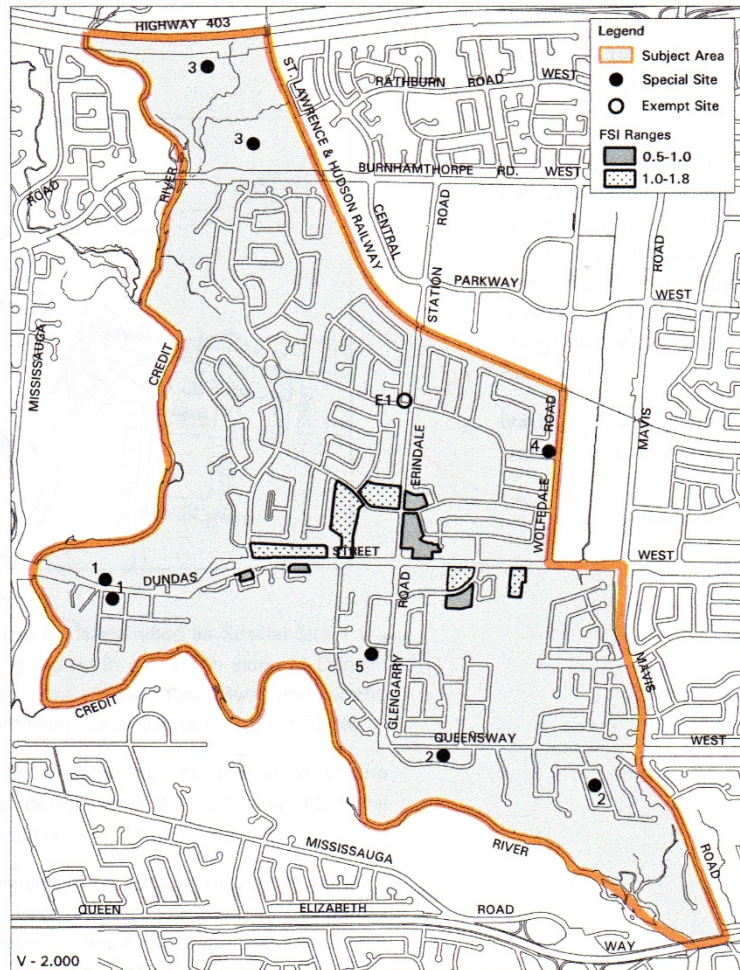

Additionally, we negotiated the purchase in 1976 of the Erindale Woodlot at the heart of Erindale and on the banks of the Credit, with its previously approved high-rise apartments overlooking the valley. It should be noted with the exception of the construction of the high-rise apartment at the mouth of the Credit River in Port Credit prior to 1974, **no residential apartments or any other buildings along the Credit River valley matches the 8 storey height of this proposal!**

In conclusion, I ask that your deliberations not only put this 8 storey proposal in a broader context than that put forward by the developer's consultants. Make your decision in the context of the City's 2015 document 16.9.2.1.1 that incorporates the early Erindale Village Study 1974, but also in the larger context of the evolution of the Dundas as the shaping central spine of Erindale and in terms of the projects special location immediately adjacent to the Credit River green corridor.

I respect the heavy burden of decision making.

Re: Delegation Request
Demand the Right Campaign

Dear Mayor Crombie and members of Council

I would like to request delegation status to speak regarding the "Demand the Right" campaign. This is to give Municipalities the right to say YES or NO to any proposed Landfill site being approved in their area.

This campaign has been gaining momentum, with a proposed private members Bill by MPP Ernie Hardeman being put forward, and with many Municipalities passing a resolution in support of this campaign.

I would very much appreciate being able to present to you on this matter.

Yours sincerely

Mayor Ted Comiskey

Mayor of Ingersoll

THE CAMPAIGN: A MUNICIPAL LEADERSHIP OPPORTUNITY

It is time Ontario passes legislation that gives municipalities the right to approve landfill projects.

The "Demand the Right Campaign", involves municipal leaders across Ontario, and is calling on all provincial political parties to commit (before the June election) to passing legislation that will give municipalities the right to approve landfill development.

Campaign highlights include:

- 30+ municipalities have formally approved a motion in their Councils, calling on the Province to act (about two dozen motions are in the works towards approval);
- 150 municipal leaders have signed a petition, calling on the province to act;
- nearly 8 out of 10 Ontarians feel municipalities should have a say in whether they host landfills, according to a recent Ontario poll found;
- Significant media coverage of the campaign since it launched a few months ago (see attached); and,
- Several efforts have been made by the NDP and PCs to change the law, including amendments to Bill 139 (defeated), and the introduction of a Private Member's Bill.

OUR ASK

We believe municipalities should have the right to approve or reject landfill projects, and assess whether the potential economic benefits are of sufficient value to offset any negative impacts and environmental concerns, in addition to successfully completing an environmental assessment.

Landfills are going to be part of Ontario's future – the issue is that municipalities **MUST** have the right to say yes or no to these types of projects.

If you believe municipalities should have the right to approve landfill projects, then please join our campaign.

Please consider the attached Motion (which several other municipalities have passed), and call on your local MPP and candidates to support this issue.

MORE INFORMATION

To learn more, or to join our campaign, please visit: www.demandtheright.ca

BRIEFING NOTE

CAMPAIGN TO GIVE ONTARIO MUNICIPALITIES THE RIGHT TO APPROVE LANDFILL DEVELOPMENTS IN THEIR COMMUNITIES

PURPOSE

The purpose of this briefing note is to provide background information on an emerging issue for municipalities, and a campaign to change provincial legislation that would give municipalities the right to approve (or reject) future landfill developments in their communities.

OVERVIEW

Ontario has a garbage problem, and it could be coming to a community near you.

According to a 2017 report from the Environmental Commissioner of Ontario (ECO), the waste that is generated by the ICI sector alone – that is downtown office buildings (like Toronto), factories, institutions, etc – is over 6.7 million tonnes each year.

To put that into context, that's enough garbage to fill Toronto's Rogers Centre seventy-four times.

Because Ontario's landfills are filling up quickly, and as the U.S. border tightens, several new mega dumps will be needed to take this unwanted garbage – and soon.

THE ISSUE

Under Ontario's current Environmental Assessment legislation, municipal governments do not have the right to approve (or reject) landfill developments in our communities. Whether a municipality wants it, or not, makes little difference.

Municipalities have the right to approve most developments in their communities. In fact, municipalities have "exclusive authority" to approve:

- Casino gaming facilities, O.Reg 81/12
- Nuclear waste storage, via the federal NWMO's siting principles

As well, Ontario recently passed Bill 139, which gives municipalities *additional* authority and autonomy to make decisions for their communities, while replacing the OMB.

WHICH COMMUNITIES ARE BEING TARGETTED?

Municipalities that have quarry or mining operations (440 sites), or landfills (880 sites) are the most likely targets, but any municipality – from the 905 belt to the U.S. border – is a potential host for this garbage, whether they like it or not. Several "mega dumps" will need to be approved in the very near future to accommodate the volume of waste that is coming.

The current system allows private landfill operators to essentially ignore the concerns of local residents and municipal Councils. The existing system is based on a 1950's view of municipalities. We believe this needs to change.

Motion

WHEREAS General Committee Report 5 – 2018 dated February 28, 2018 was approved by Council on March 7, 2018;

AND WHEREAS Recommendation GC-0102-2018 (TSC-0006-2018), which is contained in General Committee Report 5 -2018, was inadvertently adopted by Council on February 21, 2018;

NOW THEREFORE BE IT RESOLVED:

THAT Recommendation GC-0102-2018 (TSC-0006-2018) be deleted, as a housekeeping amendment.
