Subject
RECOMMENDATION REPORT (Wards 2, 5, 7 and 8)
Proposal to rezone and redesignate six City owned properties
File: CD.21-CON

Recommendation
That the report dated April 2, 2018 from the Commissioner of Planning and Building recommending approval of the proposed amendments to Mississauga Official Plan and/or the Zoning By-law to redesignate and rezone six City owned properties be adopted in accordance with the following:

1. That the proposal to amend Mississauga Official Plan and/or Zoning By-law, in conformity with the chart included in the Information Report attached as Appendix 1 to this report, and the chart attached as Appendix 2 to this report, be approved.

Background
A public meeting was held by the Planning and Development Committee on March 19, 2018, at which time an Information Report (Appendix 1) was received for information. Recommendation PDC-0021-2018 was then adopted by Council on March 28, 2018.

"That the report dated February 23, 2018 from the Commissioner of Planning and Building regarding proposed amendments to Mississauga Official Plan (MOP) and/or the Zoning By-law to redesignate and rezone six City owned properties be received for information, and that notwithstanding planning protocol, that the Recommendation Report be brought directly to a future Council meeting."

Comments
No comments were made at the public meeting, and no comments have been received by the Planning and Building Department.
PLANNING COMMENTS

Official Plan
The proposal requires amendments to Mississauga Official Plan policies for Clarkson Village Community Node, Clarkson-Lorne Park, Cooksville and Erin Mills Neighbourhoods, and the Gateway Employment Area Character Areas. As outlined in the Information Report, upon adoption of these amendments, the subject properties will have land use designations that are consistent with the current or intended uses of the subject sites.

The amendments create compatibility for both current and future uses of the lands, and ensure that lands not suitable for future development due to environmental constraints are designated appropriately.

Zoning
The proposed zoning amendments not only ensure that each subject property is zoned for its current or intended use, but also that the zoning is in conformity with the land use designation in Mississauga Official Plan, either existing or amended in accordance with the recommendations of this report.

Details of the proposed zoning amendments to expand the list of permitted uses at Sportszone North (“Hershey Centre”) are found in Appendix 2.

Financial Impact
Not applicable.

Conclusion
The proposed Official Plan Amendments and Rezonings are acceptable from a planning standpoint and should be approved for the following reasons:

1. The proposed amendments to the land use designations and zone categories ensure that the planning documents reflect the actual and desired use of the City owned sites.

2. The zoning provisions for each property in the City must be consistent with the corresponding Mississauga Official Plan policies. The proposed changes to the Zoning By-law address this requirement.

Should the proposed amendments be approved by Council, the implementing official plan amendment and zoning by-law will be brought forward to Council at a future date.

PUBLIC MEETING INFORMATION REPORT (Wards 2, 5, 7 and 8)
Proposal to rezone and redesignate six City owned properties
File: CD.21-CON

Recommendation
1. That the report dated February 23, 2018, from the Commissioner of Planning and Building regarding proposed amendments to Mississauga Official Plan (MOP) and/or the Zoning By-law to redesignate and rezone six City owned properties be received for information.

2. That following the Public Meeting, staff report back to Planning and Development Committee on any submissions made.

Background
The purpose of this report is to recommend appropriate Official Plan and/or zone categories for six City owned properties. These properties have been acquired by dedication through the development application process; acquired as undevelopable hazard lands; purchased from the Peel District School Board; or are currently owned by the City but require a policy (use) and zoning regulations update. Upon completion, the properties identified in this report will be in conformity with their intended open space and greenlands land uses.

Comments
DETAILS OF THE PROPERTIES AND PROPOSED AMENDMENTS
The proposed amendments affect sites in Wards 2, 5, 7 and 8. The properties are identified by Ward on the Location Map in Appendix 1. Appendix 2 contains a detailed chart which summarizes the proposed Mississauga Official Plan (MOP) and Zoning By-law amendments.

FORMER PUBLIC SCHOOL PROPERTIES
When the Peel District School Board declared the former Willow Glen Public School surplus, it
was acquired by the City in May 2017 (Site 1, Appendix 1). The intended use for most of the property, almost 2 ha (4.94 ac), is for a new park. The remaining portion of the site, with frontage on Utley Road, will remain zoned R3 (Detached Dwellings – Typical Lots).

The land that will be used for the new park must be redesignated from Residential Low Density II to Public Open Space. A corresponding rezoning from R3 to OS1 (Open Space – Community Park) is also necessary to implement the future intended use of the lands.

Another surplus Peel District School Board site, the former Pheasant Run Public School, was acquired by the City in December 2013 (Site 6, Appendix 1). A portion of that property was redesignated and rezoned for a new park, and the remainder of the site was subject to a lease-to-own arrangement with Heart House Hospice. This arrangement was cancelled in April 2017, and that portion of the site is to be incorporated into the park. Similar to the Willow Glen scenario, the land that will be added to the existing park must be redesignated from Residential Low Density II to Public Open Space. A corresponding rezoning from R3 to OS1 (Open Space – Community Park) is also necessary to implement the future intended use of the lands.

**SPORTSZONE NORTH**

The third site is Sportszone North. In 2017, the City invested in this property by constructing an engineered multi-use pad, on which the "Cavalia" show was located (Site 4, Appendix 1). This investment has created the opportunity for additional types of temporary and/or permanent uses at this location.

Both the official plan policies under Special Site 3 (Business Employment) in the Gateway Employment Area and the OS2-6 (Open Space – City Park – Exception) zone permit sports related and accessory and complementary uses. It is recommended that additional uses such as outdoor markets and other outdoor sales (similar to Celebration Square), entertainment and recreation facilities and amusement park also be permitted.

**GREENLANDS**

Three properties, two in Ward 2 and one in Ward 7 (Sties 2, 3 and 5, Appendix 1), require amendments to redesignate lands to Greenlands to reflect their location in or near valleylands. Two of the three sites will also be rezoned to G1 (Greenlands). The third site is already zoned G1 as it was part of a development application approval (Ward 7).

**Financial Impact**

There is no financial impact associated with the proposed amendments.

**Conclusion**

After the Public Meeting has been held, the Planning and Building Department will be in a position to make a recommendation regarding these amendments.

Corporate Report

Date: 2018/04/05
To: Chair and Members of Council
From: Paul Mitcham, P. Eng, MBA, Commissioner of Community Services

Originator's files: PO01.PAR
Meeting date: 2018/04/25

Subject
Recognition of the late Jim Tovey, Councillor Ward 1, City of Mississauga

Recommendation
1. That the future Lakeview Waterfront Connection be named in honour of the late Jim Tovey, Councillor Ward 1, subject to the approval to the Credit Valley Conservation (CVC).

2. That the hilltop in Lakefront Promenade Park (P-323) where Jim Tovey first envisioned a sustainable Lakeview waterfront community while walking his dog, Jake, be dedicated as “Jake’s Walk”.

3. That Council waive the requirement to honour an individual a minimum of one year posthumously.

4. That Council waive the requirement for a 30-day consideration period as outlined in the City's “Facility Naming” Corporate Policy 05-02-02.

Background
In accordance with the City's “Facility Naming” Corporate Policy, the Community Services Department was directed to present names for the General Committee and/or Council’s consideration for the purposes of naming parks, trails, and facilities in the City of Mississauga.

The subject report outlines the requests to name the Lakeview Waterfront Connection currently under construction in honour of the late Jim Tovey, Councillor, Ward 1 and dedicate a hilltop in Lakefront Promenade Park (P-323) as “Jake's Walk” to commemorate where Jim Tovey (while walking his dog, Jake,) envisioned a sustainable waterfront community in Lakeview situated in Ward 1 (Appendix 1).
Comments

Jim Tovey was a passionate champion of the City of Mississauga. He grew up in Malton and while working as carpenter and restoration specialist, moved to Lakeview in the southeast corner of Mississauga in 1989.

Tovey was an enthusiastic community builder who saw the potential for a sustainable waterfront community in Lakeview. He often told the story of how the vision came to him in 2005 while standing on a hilltop in Lakefront Promenade Park (P-323) during a walk with his dog, Jake.

As president of the Lakeview Ratepayers Association, he led the creation of a community-driven masterplan for Lakeview, known as the Lakeview Legacy Project, which received two national urban design awards. Tovey was named Mississauga's Citizen of the Year in 2009.

Jim Tovey was first elected to the City of Mississauga Council in 2010. He was a strong advocate for many projects in Ward 1 – including Inspiration Lakeview (Lakeview Legacy Project), the Lakeview Waterfront Connection and Inspiration Port Credit. In 2012, Tovey received the Queen's Jubilee Silver Medal for his commitment to the community driven waterfront revitalization.

Jim Tovey was also a member of the Region of Peel Council and represented Mississauga on the Credit Valley and Toronto Region Conservation Authority Boards.

The naming of the Lakeview Waterfront Connection in honour of Jim Tovey will be in accordance with the CVCA's Asset Naming Guidelines and will be approved by the CVC Board at a later date.

In accordance with the City’s “Facility Naming” corporate policy, the dedication of a hilltop in Lakefront Promenade Park (P-323) in honour of Jim Tovey is consistent with the selection criteria which give preference to names that “honour an individual’s significant positive contribution to the community”. Appropriate signage outlining key elements of the vision will be installed on site.

Councillor Dave Cook (Ward1) and the Tovey family have been consulted and support the recommended naming and dedication.

In addition, the Region of Peel Street Names Committee has reviewed “Jim Tovey” from a regional perspective and has approved its use as a street name in Mississauga. The Transportation and Works Department will be bringing forward a separate corporate report seeking Council approval to add “Jim Tovey” to the City of Mississauga Approved Street Name Reserved List, for future use in either the Lakeview or 70 Mississauga Road South developments.
Financial Impact
There is no financial impact with this project. The recommended tributes will be announced at the Jim Tovey Memorial at the Small Arms Building on June 2, 2018. The naming of the Lakeview Waterfront Connection is a CVC initiative. The dedication ceremony and plaque in Lakefront Promenade Park (P-323) will be funded from Parks and Forestry’s current operating budget.

Conclusion
The late Jim Tovey, Councillor, Ward 1, was a strong advocate for many initiatives along Mississauga’s waterfront. It is appropriate that the Lakeview Waterfront Connection be named in his honour and that the location in Lakefront Promenade Park (P-323) where he envisioned the future Lakeview waterfront community be also dedicated in his honour. As the announcement is to be coordinated with the Jim Tovey Memorial, it is recommended that Council waive the 30 day consideration period for the dedication.

Subject of Petition:
Applications for the development of 227 and 233 Queensway West to permit eight detached homes fronting on the extension of Antigua Rd. Files OZ 17/004 W7 and T-M17002 W7

We, the undersigned, hereby submit this petition for Council’s consideration for the purpose of:

voicing our general acceptance of this application as long as a barrier to through vehicular traffic is built across this extension of Antigua Rd such that only pedestrians can go through from east to west. As was the case with the extension of Louis Drive in 2004, the east and west branches of Antigua Rd. should remain as they’ve been for 40 plus years as two separate cul de sacs.

Re: Temporary Extension of Liquor Licenses

To Whom It May Concern: RE: Current Liquor License #44180

I am contacting the ACGO to request four extensions to our existing liquor license #44180, on behalf of the Streetsville Branch 139 of the Royal Canadian Legion. The four (4) events are:

1) Carassauga - May 25, 26 and 27th, 2018
2) Bread & Honey Festival - June 1st, 2nd and 3rd, 2018
3) Canada Celebrations – July 1, 2018
4) Corn & Steak Roast – August 18, 2018

This cover letter will also be sent to the organizations indicated by the “CC” at the end of the letter. They include the required notifications to the Fire, Police, Building Enforcement and the Health Department. The City of Mississauga’s Clerk Office will also be sent a copy, of which they will gain approval by the City of Mississauga City Council, before they can produce a letter of non-objection. A copy of the letter on non-objection will then be forwarded to your office by mail or fax.

The Streetsville Legion Branch 139 is once again proud to be hosting several community events this summer that will increase public awareness of our goals and objectives as well as our commitment to serving the community and providing much needed funds to local, regional, provincial and national organizations. Our local concerns include Veterans, Seniors’ needs, our local hospitals, four Cadet Corps as well as many others on an as need basis. Some of the funds raised from these events as well as our dedication to our annual Poppy Campaign also support provincial and national Legion charity programs and provide much good to our Canadian Society.

Lest we forget
We intend to utilize our licensed premises and patio, some of our parking lot and grassy area on the north side of the building as we have in previous years. We will be serving food, liquor and beer in these areas as well as providing live bands and DJ Entertainment. The entire property is owned by the Legion. We are again preparing to welcome Legion Members, as well as non-members visiting or residing in the community. We are hoping to attract 500 or more people to each event.

Hot food will be served and uncooked food being kept in coolers, personal hygiene procedures will be observed in the proper manner as directed by the Region of Peel Health Unit. No additional buildings will be constructed and we will use tents for shelter of the serving areas only. The conditions and careful procedures as directed by the Mississauga Fire Department will be followed in regards to the positioning of all cooking units and fire extinguisher quantity and placement. We will be controlling event access with comprehensive fencing and Legion Volunteers acting as our identified Staff to secure all entry and exit points. A warm welcome to the advice and attendance of Peel Regional Police is always extended and appreciated and we expect many officers will take the time to visit as in the past.

The Streetsville Legion has never committed or experienced and disturbances of bylaws or liquor infractions at any of our events and we plan on keeping our record unblemished. We assure total compliance with all Municipal, Fire, Health and ACGO and Security regulations. We eagerly look forward to once again serving our community.

Our Signing Officers for the Streetsville Legion are:

Marika Booton – President  
Ola McNutt – Past President  
Judy McNutt – 1st Vice President  
Benjamin Pearce – Secretary/Membership
