Subject

Amendment to 2019 Culture Programs Fees and Charges By-law

Recommendation

That a by-law be enacted to amend Culture Fees and Charges by-law 0221-2018 (for Registered Program Fees) with a new effective start date for the Spring session 2019 through to the end of the Winter session of 2020 as outlined in Appendix 1 of the Corporate Report dated January 22, 2019, from the Commissioner of Community Services entitled "2019 Culture Program Fees and Rental Rates" (housekeeping).

Background

Program fees for registered programs and pay-as-you-go programs are managed in accordance with the Recreation fee cycle (Spring to Winter) to maintain marketing and billing alignment. As part of 2019 fees and charges, Culture established the effective date of April 1, 2019. This was not in alignment with Recreation's effective date for Program Fee increases, which was identified as "start of the Spring session 2019". The Culture Fees and Charges By-law 0221-2018 was approved by Council on December 12, 2018.

Comments

To ensure consistency with Recreation and to align with fee updates within the City's billing system (CLASS), an amendment to the current Culture Fees and Charges By-law 0221-2018 is required. The previous language of "April 1, 2019" will be replaced with "the start of the Spring session 2019 (which, this year will be March 22, 2019) through to the end of the Winter session of 2020". See Appendix 1.

Financial Impact

No financial impact.

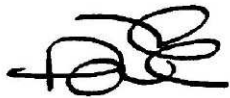

Council	2019/02/06	2

Conclusion

A housekeeping update (effective start date change) to the fees and charges by-law is required to ensure consistency with the Recreation Fees and Charges timeline.

Re- Senior Centre

Dear Madam / Sir,

Our club member has recently been informed that Council has taken the proposal to build a Senior Centre in the Northern part of the City "OFF THE TABLE"

Our information is that council have used consultants, who have made this recommendation. This is very disappointing, as seniors were not directly CONSULTED on this issue,

With all due respect, Council and consultants should be talking with seniors and not to or about seniors.

Those of us over the age of 55, forms a large part of the residents, paying taxes, to the City, for several decades and our needs should be a top priority for Council.

Council and these consultants should visit Brampton and see what that City is doing for its senior residents.

Cawthra is way off the beaten track for those seniors living in the Northern parts of the City and we need a senior Centre in this part of Mississauga.

Please talk WITH US about our recreation needs and space for all of our activities.

Sincerely,

NOTICE OF MOTION

WHEREAS the Region of Peel purchased a 3.0 ha (7.5 ac) property at 7500 Danbro Crescent in Mississauga for the purpose of building an anaerobic digestion (composting) facility; and

WHEREAS the site is zoned E2-19 (Employment – Exception) in Zoning By-law 0225-2007, which permits composting facilities, in addition to all other industrial uses permitted in the E2 (Employment) and E3 (Industrial) zones, except a power generating station; and

WHEREAS Mississauga Official Plan (MOP) designates the subject site as Business Employment in the Meadowvale Business Park Corporate Centre Character Area, but not in a Restricted Area, therefore a range of industrial uses are permitted, including waste processing stations; and

WHEREAS the property to the south at 7600 Danbro Crescent is owned by Contract Pharmaceutical Limited (CPL), which operates both its headquarters and manufacturing facilities at that address; and

WHEREAS this facility operates under Health Canada and other regulatory agencies and is deemed as required to be a clean facility in which any infestation of insects or bacteria would result in a shutdown of operations; and

WHEREAS despite odour and noise emission control mandated by the Ministry of the Environment, Conservation and Parks for the operation of the Regional anaerobic digestion facility, the owners of CPL expressed concern about their ability to maintain strict quality control and to negate a possible negative perception of having an anaerobic digestion facility in the vicinity of their business; and

WHEREAS the matter of a sensitive land use adjacent to the Region's property was not disclosed to the Ward Councillor or city staff prior to Regional Council approving the go ahead on the site; and

WHEREAS the Ward Councillor on finding that the composting facility use could seriously compromise the operation of one of the City's important Life Sciences companies and had the potential to impact hundreds of jobs in the Meadowvale Business Park; and

WHEREAS the Ward Councillor asked Regional Council to direct Region staff to look for an alternate site for the facility which did occur in late 2018; and

WHEREAS the Region of Peel will declare this land surplus and sell it in the coming year which could pose an ongoing concern as the existing zoning would still permit a composting facility to be constructed; and

WHEREAS this type of use is not compatible in the Meadowvale Business Park which is mainly high level corporations including numerous life science industries and office.

THEREFORE BE IT RESOLVED that staff be directed to rezone the property at 7500 Danbro Crescent to prohibit composting facilities to ensure the continued operation of CPL and other

adjacent life sciences businesses which is a key sector from an economic development perspective.
