## 15. **NOTICE OF MOTION**

- 15.1. Councillor Saito requested that staff be directed to rezone the property at 7500 Danbro Crescent to prohibit composting facilities to ensure the continued operation of CPL and other adjacent life sciences buildings which is a key sector from an economic development perspective. Additionally, Councillor Saito noted concern with the timing of rezoning as the property in question could be put up for sale under the current zoning. Andrew Whittemore, Commissioner of Planning and Building indicated that staff would work with the Region to ensure there wasn't a gap in zoning timing.

0038-2019 Moved by: P. Saito

Seconded by: M. Mahoney

WHEREAS the Region of Peel purchased a 3.0 ha (7.5 ac) property at 7500 Danbro Crescent in Mississauga for the purpose of building an anaerobic digestion (composting) facility; and

WHEREAS the site is zoned E2-19 (Employment - Exception) in Zoning By-law 0225-2007, which permits composting facilities, in addition to all other industrial uses permitted in the E2 (Employment) and E3 (Industrial) zones, except a power generating station; and

WHEREAS Mississauga Official Plan (MOP) designates the subject site as Business Employment in the Meadowvale Business Park Corporate Centre Character Area, but not in a Restricted Area, therefore a range of industrial uses are permitted, including waste processing stations; and

WHEREAS the property to the south at 7600 East Danbro Crescent is owned by Contract Pharmaceutical Limited (CPL), which operates both its headquarters and manufacturing facilities at that address; and

WHEREAS this facility operates under Health Canada and other regulatory agencies and is deemed as required to be a clean facility in which any infestation of insects or bacteria would result in a shutdown of operations; and

WHEREAS despite odour and noise emission control mandated by the Ministry of the Environment, Conservation and Parks for the operation of the Regional anaerobic digestion facility, the owners of CPL expressed concern about their ability to maintain strict quality control and to negate a possible negative perception of having an anaerobic digestion facility in the vicinity of their business; and

WHEREAS the matter of a sensitive land use adjacent to the Region's property was not disclosed to the Ward Councillor or city staff prior to Regional Council approving the go ahead on the site; and

WHEREAS the Ward Councillor on finding that the composting facility use could seriously compromise the operation of one of the City's important Life Sciences companies and had the potential to impact hundreds of jobs in the Meadowvale Business Park; and

WHEREAS the Ward Councillor asked Regional Council to direct Region staff to look for an alternate site for the facility which did occur in late 2018; and

WHEREAS the Region of Peel will declare this land surplus and sell it in the coming year which could pose an ongoing concern as the existing zoning would still permit a composting facility to be constructed; and

WHEREAS this type of use is not compatible in the Meadowvale Business Park which is mainly high level corporations including numerous life science industries and office.

THEREFORE BE IT RESOLVED that staff be directed to rezone the property at 7500 Danbro Crescent to prohibit composting facilities to ensure the continued operation of CPL and other adjacent life sciences businesses which is a key sector from an economic development perspective.
