GC-0144-2019

WHEREAS the City of Mississauga is a 45-year-old growing, urban municipality with a population approaching 800,000 residents, home to over 91,000 businesses. By 2041, the population of Mississauga is expected to be over 900,000; and

WHEREAS the City of Mississauga is the 3rd largest city in Ontario and 6th largest in Canada, and the largest municipality in Ontario that is part of a two-tier, regional governance model; and WHEREAS other smaller municipalities in Ontario are single tier and not part of a regional governance model; and

WHEREAS the Region of Peel is unique in that it is the smallest region in the province in terms of number of lower-tier member municipalities, two of which are the 3rd and 4th largest cities in the province; and

WHEREAS the City of Mississauga, the City of Brampton, and the Town of Caledon are in different stages of growth and development, often resulting in the member municipalities of the Region of Peel having different or competing priorities; and

WHEREAS while regional government may be used to cost-share the delivery of services and the building of capital infrastructure between multiple municipalities that member municipalities would otherwise not have the financial capacity to provide on their own, the City of Mississauga has the administrative and financial capacity to govern our own affairs, independent of a regional government; and

WHEREAS the ability of Mississauga to deliver services to our residents and businesses, as well as enact policies and programs that are in the best interests of our residents is often made more difficult because of considerable, and unnecessary duplication of the delivery of the same services between the City of Mississauga and the Region of Peel; and

WHEREAS, the City of Mississauga currently provides 59 percent of the funding to the Region of Peel, but only maintains 50 percent of the vote at Regional Council; and

WHEREAS the residents and businesses of the City of Mississauga contribute an additional \$85 million annually in additional funding to the region, beyond what is provided back to the City of Mississauga; and

WHEREAS the City of Mississauga has a distinct identity from the Region of Peel and the two other member municipalities, and residents most often identify as residents of Mississauga and not as residents of Peel; and

WHEREAS the residents of the City of Mississauga have through citizen satisfaction surveys repeatedly expressed confidence in the City's ability to deliver services, satisfaction with the quality of life in our City, and a strong desire for Mississauga to continue to grow and prosper; and

WHEREAS between 2004 and 2005, the Council of the City of Mississauga made a strong business case, supported by a Citizens' Taskforce, to the Ontario Government, led by former Mayor Hazel McCallion and supported unanimously by the Council of the day, that Mississauga should be given single-tier status; and

WHEREAS the City of Mississauga Council and residents have long held the view that Mississauga can operate as a single-tier municipality, independent of regional government; and

WHEREAS on every measure, Mississauga is working and should be used as an example by the Province of Ontario of a well-governed, successful municipality; and

WHEREAS the Ontario Government has announced a review of regional governance across the province, including the Region of Peel and has asked the affected upper tier and lower tier municipalities for their feedback on the effectiveness of regional governance; and

WHEREAS this opportunity provides the City of Mississauga with an opportunity to present a single, unified voice to the province about the future governance of our city.

THEREFORE BE IT RESOLVED THAT the following motion be approved in principal:

1. That the position of the City of Mississauga Council through the province's Regional Governance Review, is that the Government of Ontario pass legislation to make the City of Mississauga a single tier municipality, independent of the Region of Peel, maintaining the current municipal borders of the City of Mississauga;
2. If the Province of Ontario does not grant single-tier status to the City of Mississauga, that the Ontario government delineate the roles and responsibilities of upper and lower-tier municipalities to eliminate duplication, enhance service delivery and address the needs of residents in each member municipality, including adhering to the principle of representation by population; and
3. The City of Mississauga is opposed to the amalgamation of the City of Mississauga with any other municipality; and
4. The City of Mississauga forward an executive summary of the report to the Premier, the Minister of Municipal Affairs and Housing, local Members of Provincial Parliament, the Province's Advisors on Regional Governance, Michael Fenn and Ken Seiling, the Chair

of the Region of Peel, the Mayors of Brampton and Caledon and the Association of Municipalities of Ontario;

5. The City of Mississauga engages in a public education campaign to raise awareness about the Regional Governance Review and the City's position, and further that the City of Mississauga encourages the public to provide their comments and feedback through the formal public consultation portal.

GC-0145-2019

Mr. Ron Starr,
Mississauga City Councillor Ward 6,
300 City Centre Drive,
Mississauga, Ontario, L5B 3C1,
(ron.starr@mississauga.ca)

Dear Mr. Ron Starr:

Subject: Follow-up to February 26th Email: Concerned Tax Payer – Parking Ticket Complaint

Thank you for voiding the penalty notice [REDACTED].

I have visited the City's website on Parking and read all the information and by-laws, especially the section on Request to Change Regulations.

Please find attached the Resident Parking Petition . On Sunday, March 3rd and Monday, March 4th, I have visited all of the residences on my street, Invergordon Lane, between Highbrook Avenue and Willow Way. Out of the 50 homes I visited,

- a) 36 residences approved of the regulation change to allow the boulevard parking
- b) 14 residences, some:
 - I. refused to answer the door.
 - II. not home and after going back a few times, still not available.
 - III. did not want to give their personal information (signature, phone numbers).
 - IV. not interested.
 - V. unaware there was a by-law.

The 36 signatures equal 72% out of the required amount of 66%, specified in the By-law.

I cannot understand why a by-law prohibiting boulevard parking was created initially. I acknowledge that the boulevard is City property. I have been given the legal right to maintain this property all at my costs. As a result of this legal right, I should also have the same right to park my vehicle on that property and ensuring that there is no obstruction to City services, the street, the sidewalk and the neighbourhood.

As a tax paying resident of Mississauga for over 30 years, I am appalled at the level of inconsideration that the City has instructed me, a senior citizen, go door-to-door collecting signatures in the winter months of February and March simply to request a change to the by-law.

Thank you for your time and understanding my concerns. Looking forward to your comments.

Sincerely,

Paolo Natale

Mayor & Members of Council
City of Mississauga

As the 2014-2018 Mississauga Public Library Board term draws to a close I wanted to thank Council their continued support of the Mississauga Library. Together, we have achieved a number of our Board Ends, or objectives, including the approval of the Future Directions Master Plan, renovations to Meadowvale and Woodlands libraries, the opening of three Makerspaces and the increased investment in our collections. Our achievements have furthered the Library's vision to provide life-long enrichment, education and empowerment for all Mississauga residents.

As a Board we have been focused on continuous improvement in the delivery of services to our residents as well as how we serve as Board members. Attached please find a draft resolution your consideration on March 27, 2019 for the composition of the new Mississauga Public Library Board. This resolution was unanimously approved by the Mississauga Public Library Board on February 20, 2019 and recommends a change in the role of the school board representatives. Going forward we are recommending a liaison role for school board trustees ensuring communication, problem solving and information sharing continues to be prioritized for each of us. In this role school board trustees will not be required to attend Mississauga Public Library Board meetings, but will always be welcomed, allowing them more time to focus on the many school board related initiatives in their portfolios. The Mississauga Public Library Board feels this new role for the trustees represents an evolution in the needs and demands of the Mississauga Public Library Board, the Library and the school board trustees.

Thank you for your consideration,

Val Ohori
Chair, Mississauga Public Library Board

March 20, 2019

Resolution by the Mississauga Library Board on February 20, 2019 for Council consideration on March 27, 2019:

1. That the Mississauga Library Board recommends to Council that the composition of its membership be changed to 9 members (7 citizen members and 2 Councillors) effective immediately and that Councillor Matt Mahoney be identified as the Mississauga Library Board liaison to the Dufferin-Peel Catholic School Board and the Peel District School Board.
2. That the Dufferin-Peel Catholic School Board and the Peel District School Board be requested to appoint a liaison for the Mississauga Library Board to serve as a key communications contact.
