Mr. Ron Starr,
Mississauga City Councillor Ward 6,
300 City Centre Drive,
Mississauga, Ontario, L5B 3C1,
(ron.starr@mississauga.ca)

Dear Mr. Ron Starr:

Subject: Follow-up to February 26th Email: Concerned Tax Payer – Parking Ticket Complaint

Thank you for voiding the penalty notice [REDACTED].

I have visited the City's website on Parking and read all the information and by-laws, especially the section on Request to Change Regulations.

Please find attached the Resident Parking Petition . On Sunday, March 3rd and Monday, March 4th, I have visited all of the residences on my street, Invergordon Lane, between Highbrook Avenue and Willow Way. Out of the 50 homes I visited,

- a) 36 residences approved of the regulation change to allow the boulevard parking
- b) 14 residences, some:
 - I. refused to answer the door.
 - II. not home and after going back a few times, still not available.
 - III. did not want to give their personal information (signature, phone numbers).
 - IV. not interested.
 - V. unaware there was a by-law.

The 36 signatures equal 72% out of the required amount of 66%, specified in the By-law.

I cannot understand why a by-law prohibiting boulevard parking was created initially. I acknowledge that the boulevard is City property. I have been given the legal right to maintain this property all at my costs. As a result of this legal right, I should also have the same right to park my vehicle on that property and ensuring that there is no obstruction to City services, the street, the sidewalk and the neighbourhood.

As a tax paying resident of Mississauga for over 30 years, I am appalled at the level of inconsideration that the City has instructed me, a senior citizen, go door-to-door collecting signatures in the winter months of February and March simply to request a change to the by-law.

Thank you for your time and understanding my concerns. Looking forward to your comments.

Sincerely,

Paolo Natale
