## Corporate Report

Date: 2019/09/03

To: Mayor and Members of Council

From: Gary Kent, CPA, CGA, ICD.D, Commissioner of  
Corporate Services and Chief Financial Officer

Originator's files:

Meeting date:  
2019/09/25

## Subject

**Apportionment of Taxes**

## Recommendation

1. That the report of the Commissioner of Corporate Services and Chief Financial Officer dated September 3, 2019 entitled Apportionment of Taxes be received.
2. That the recommended apportionment of taxes and payments set out in Appendix 1 attached to this report be approved.

## Background

Section 356 of the *Municipal Act* allows a local municipality to apportion taxes if land which was assessed in one block at the return of the assessment roll is subsequently divided into two or more parcels and to direct what proportion of any payment of taxes is to be applied to each of the parcels.

## Comments

The Municipal Property Assessment Corporation (MPAC) has advised of a number of properties that have been divided into parcels subsequent to the return of the assessment roll. Section 356 of the *Municipal Act* provides for taxes levied on the land to be apportioned to the newly created parcels. In addition, the municipality is to direct what proportion of any payment of taxes is to be applied to each of the parcels.

In accordance with section 356(1) of the *Municipal Act*, taxes levied on the land for the year in which the property is divided and any unpaid taxes for years prior to that year have been proportionately apportioned to the newly created parcels based on the relative assessed value of the parcels as determined by MPAC. Supplementary taxes levied for the year in which the property was divided have been allocated to the parcel to which they pertain.

All payments applied to the property tax account being apportioned, from the year of the land division to date, must be allocated to the appropriate parcels. Payments have been allocated based on the parcel that payment was intended for or distributed proportionately among the parcels if the payment was intended for the entire block.

A Summary of Apportionment of Taxes listing newly created parcels and the recommended apportionment of taxes and payments is provided as Appendix 1.

Owners of the apportioned lands have been sent notification. Property owners have the right to appeal the decision of Council to the Assessment Review Board.

## Financial Impact

Not Applicable

## Conclusion

There are a number of properties that were assessed in one block at the return of the assessment roll and subsequently divided into parcels. The *Municipal Act* requires Council to approve the apportionment of taxes and allocation of payments subsequent to the division of property.

## Comments

A total of 35 applications for tax adjustments have been prepared for Council's consideration.

The total cancellation or refund of taxes as recommended is \$ 316,534.87. Appendix 1 outlines the tax cancellations being recommended by property and summarizes by reason the number of applications and tax dollars recommended for reduction.

Following Council's decision, a Notice of Decision will be mailed to all applicants and their taxes will be adjusted accordingly. With the exception of Section 358 applications, if the applicant disagrees with the amount of the tax adjustment, they have 35 days from the date of the Notice of Decision to appeal Council's decision to the Assessment Review Board. Whereas mobile signs are restricted through By-Law 54-02 ss23 (8) (e), to black and white only for signs having an area of 1.5 square meters or larger; and

Whereas previous sign technologies were black boards with individual letters attached, and

Whereas in the past, some signs trended to multi-colour fluorescent letters which were jarring and distracting, in an effort to attract attention: and

Whereas Council responded to the excess by limiting letters to white only: and

Whereas Curbex Signs were awarded a contract, after a recent tendering process, on August 1, 2019 effective immediately: and

Whereas Curbex Signs produce custom digital print whole-face graphics; and

Whereas this technology reflects a more modern image; and

Whereas the world has turned to colour for every form of print communication;

THEREFORE BE IT RESOLVED:

1. That By-Law 54-02 ss23 (8) (e) be rescinded and that colour be permitted on mobile signs in the City as an opportunity to inform and not to distract.
2. The Portable Sign shall:
  - Clearly display the name of the applicant organization or community group
  - Promote/inform of an event, program or registration exclusively offered by the applicant organization or community group
  - Not display information, events or registrations offered by organization or community groups other than the applicant, and
  - Not promote a political party or candidate for public office
  - Not employ fluorescent, neon or day-glo colours.
3. That this policy be reviewed in six months.

Whereas heavy traffic and congested roads have resulted from watermain replacement in the City Centre; and

Whereas daytime Committee meetings have traditionally begun at 9:30 a.m. after much of the rush hour is over; and

Whereas it is often necessary to meet with various staff members before Council and General Committee begin; and

Whereas, when asked, members of Council provided responses in writing as to when they would ideally like Council and General Committee to begin;

Whereas three members of Council preferred to remain at 9:00 a.m., seven members of Council would like start times to move to 9:30 a.m. and two preferred a 10:00 a.m. start;

THEREFORE BE IT RESOLVED:

That City Council and General Committee meetings commence at 9:30 a.m. beginning October 2, 2019; and

That this policy be reviewed in 12 months.

**NOTICE OF MOTION**

WHEREAS the Province of Ontario enacted the *Door to Door Sales Prohibition Act* in 2016 banning the sale, lease or rental of certain products to a consumer in person at a consumer's home;

AND WHEREAS the list of products does not specifically include sump pumps;

AND WHEREAS a certain plumbing company has sent representatives door to door in the Lisgar District of Mississauga during the last several months using questionable sales tactics and misrepresenting themselves as government workers to persuade consumers to purchase a sump pump for their home;

NOW THEREFORE BE IT RESOLVED THAT the Council of the City of Mississauga urge the Provincial Government of Ontario to include "sump pumps" among the list of banned products in the *Door to Door Sales Prohibition Act*.
