12. **UNFINISHED BUSINESS** – Nil.

15. **NOTICE OF MOTION**

Note: Items 15.1. and 15.2. were discussed together.

15.1. Councillor Parrish distributed an amended version of her motion requesting that staff bring forward reports on the costs of regional services, and analysis of the composition of all Ontario regional governments, and a review of regional roads, that a subcommittee of Council be established to review Region of Peel Council agendas prior to Regional

Council meetings and report to Council, and that the Province consider the implementation of a weighted vote at Regional Council.

- 15.2. Councillor Saito distributed a motion requesting that the Province put into place legislation that would allow for a by-law to be enacted granting the City of Mississauga Council an enhanced voting member at Regional Council to take effect during the current term of Council.

The Mayor and Members of Council engaged in a fulsome discussion in support of both motions.

0247-2019 Moved by: C. Parrish

Seconded by: G. Carlson

WHEREAS Ontario Regional Governments are made up of many small clustered municipalities; and

AND WHEREAS both Mississauga and Brampton are much larger individual entities than the total populations of every Ontario regional government with the exception of York Region; and

AND WHEREAS regional government was originally intended to assist these clusters of smaller municipalities with purchasing, planning, and many other services; and

AND WHEREAS Mississauga is the third largest city in Ontario and the sixth largest in Canada – large enough not to need for economies of scale; and

AND WHEREAS it can be demonstrated the Region of Peel in fact wastes resources through duplication of staff, departments and services that can be efficiently handled at the City of Mississauga; and

AND WHEREAS Mississauga contributes tax dollars (59.8%), to the operating budget of the Region of Peel in excess of its population numbers (55.3%) its number of Councillors do not represent either representation by population nor taxation without representation; and

AND WHEREAS the City of Mississauga is devastated by the recent decision to leave the Region of Peel unchanged and the City of Mississauga trapped in a decidedly archaic, unfair governance model; and

AND WHEREAS Premier Ford was quoted in the November 5, 2019 Toronto Star as saying:

"I just believe in working with people. If we don't get it right 1,000 percent of the time, then we're going to work with the groups to make sure we get it right."

"And honestly, I don't think there's anything wrong with sitting back, listening and making a decision."

"We're taking the approach (on regional government reforms) we should leave this up to the towns and the cities...no one understands communities better than local representatives."

**THEREFORE BE IT RESOLVED THAT:**

1. Mississauga staff bring forward a report on the costs of Regional services such as Peel Regional Police for which Mississauga is paying more than its fair share, and recommendations for a method of reallocating costs, fairer for the taxpayers of Mississauga; and
2. Council request staff also undertake a detailed review of Regional Roads using the analysis conducted by Ernst and Young in the Spring of 2019, and following this review, Mississauga Regional Councillors move for the reconvening of the Regional Roads Rationalization Committee at Peel Region for further review of the subject; and
3. Council form a subcommittee of Council, staffed appropriately, to do a line by line review of all regional agendas, to report to Council before each Regional Council Meeting; and
4. Staff undertake an analysis of the composition of each Ontario Regional Government - the number of Councillors, the relative populations and financial contributions of each of their parts - in preparation for the discussion that will take place on seat allocation before the next municipal election; and
5. A request be sent to the Province for the implementation of a weighted vote in place of a substitute Councillor for Mississauga, to be granted immediately through an Order in Council, as detailed in Resolution 0248-2019 adopted by Council on November 6, 2019; and
6. A copy of this motion be sent to the Premier and local MPPs with a cover letter by the Mayor, expressing Council's deep disappointment at his announcement of October 25, 2019.

0248-2019 Moved by: P. Saito

WHEREAS in 2017 the Province of Ontario amended s. 268 of the *Municipal Act, 2001* (the “Act”) to permit a lower-tier municipality to appoint one of its members as an alternate member of the council of its upper-tier municipality to attend and vote at regional council meetings in the place of a Regional Councillor who is unable to attend a meeting of the upper-tier council;

AND WHEREAS the Councils of both the City of Brampton and the Town of Caledon have passed by-laws appointing alternate members pursuant to s. 268 of the Act to attend Peel Regional Council meetings;

AND WHEREAS the intention of s. 268 of the Act is to preserve the voting weight of a lower-tier municipality at a meeting of its upper-tier council when a Regional Councillor of the lower-tier municipality is absent;

AND WHEREAS the City of Mississauga is disadvantaged as the only lower-tier municipality in Ontario that cannot appoint an alternate pursuant to s.268 of the Act, given that all its members are also Regional Councillors;

AND WHEREAS Peel Regional staff have proposed that, as an alternative, Peel Regional Council amend its Procedural By-law pursuant to s. 218(3) of the Act to permit Mississauga to designate one “enhanced voting member” to have two votes at Peel Regional Council, instead of one, with the second vote to be exercised in situations where a Regional Councillor representing Mississauga is absent from a meeting of Peel Regional Council;

AND WHEREAS pursuant to s.219 of the Act, a by-law granting Mississauga an enhanced voting member would not take effect until after the first regular election following the passing of the by-law, even though Brampton and Caledon already enjoy the benefit of an alternate member during the present term of Council to preserve their voting weight;

AND WHEREAS in the unique circumstance that exists only in the Regional Municipality of Peel, an enhanced voting member for Mississauga enacted pursuant to s. 281(3) of the Act, although different in form, would have the same practical effect as if Mississauga could appoint an alternate member under s. 268 of the Act;

NOW THEREFORE BE IT RESOLVED that the Council of the City of Mississauga request the Province of Ontario to enact such legislation as would be required to make a by-law enacted by the Council of the Regional Municipality of Peel pursuant to s. 218(3) of the Act granting the City of Mississauga an enhanced voting member take effect during the current term of Council, notwithstanding s. 219 of the Act.
