**Subject:** Bike lane Mississauga Road

It appears that with the good weather a bike club that was active last year has returned. Not 15 minutes ago I was unfortunate enough to encounter these people moving north on Mississauga Road near Holy Name School. They completely blocked the north bound lane. I sounded my horn as there was considerable traffic coming south at the time but not only did they refuse to move into the bike lane but several of them gave me the finger. These people seem to think that they own not only the bike lane but the car lane as well. Last year it was the same and the police appear to nothing about it. I'm starting with you but am prepared to move on to the my Provincial representative as this has to stop before someone gets hurt.

**Subject:** Resignation from Mississauga Cycling Advisory Committee  
**Importance:** High

Good morning, Stephanie and Chris.

Please note that effective Monday June 6, I will resign from my position as a Citizen Member of the Cycling Advisory Committee.

I was nominated and elected to my Co-op's Board of Directors. Our Board Meetings and the MCAC meetings are both on Tuesdays. I cannot juggle both...LOL.. This is a transition year for our co-op and I wish to devote 98% of my time to the Board.

I will fulfill my duties and responsibilities as it relates to the Joint Committee Meeting of Saturday May 28 as well as my role for the June 2 Erin Mills Community Ride.

I have a box of printed material and First Aid items in my car - I would like to hand these off next Thursday.

An original signed letter of Resignation will be sent via Canada Post mail within the next two weeks.

Sincerely and Respectfully,

*Joanne de Cloe*
