8.17. 2018 City of Mississauga Municipal Election – New Initiatives and Election Summary

Members of the Committee made the following comments: the disappointment in voter turnout; that The Vote Anywhere polling stations were not evenly distributed throughout the City; that the election campaign rebate programming needs to be electronic; that the report should be referred to the Governance Committee for review; the amount of incorrect information on the voters lists; the confusion between the voters card and the voters letter residents received; simplify the proxy voting process; long delays and long lines at polling stations; limit the number of weeks or not allow election signs; and survey candidates on their viewpoints on the usage of election signage.

Diana Rusnov, Director, Legislative Services spoke to the voters list and provided clarification on the calculation of the poll counts. Mary Ellen Bench, City Solicitor, spoke to the regulation of election signage. Geoff Wright, Commissioner of Transportation and Works noted he would report back on the number of election signs removed and the number of infractions issued.

**RECOMMENDATION**

GC-0055-2019

1. That the Corporate Report from the Commissioner of Corporate Services and Chief Financial Officer, entitled “2018 City of Mississauga Municipal Election – New Initiatives and Election Summary” be received for information.
2. That the Mayor send a letter to the Ontario Ministry of Education requesting that election day be deemed a Professional Activity (P.A.) Day to ensure that schools are available for use as voting locations during the 2022 Municipal Election.
3. That the City Clerk report to Leadership Team at a later date to recommend a proposal to encourage greater participation by City staff as election workers for the municipal election in 2022.
4. That the Mayor send a letter to the Provincial Government and to the Association of Municipalities of Ontario (AMO) to determine how to improve the accuracy of the voter information provided by MPAC.
