Date: February 21, 2020 To: Chair and Members of General Committee From: Geoff Wright, P.Eng, MBA, Commissioner of Transportation and Works	Originator's files: MG.23.REP RT.10.Z-55
	Meeting date: February 26, 2020

## Subject

**Temporary All-Way Stop – Cactus Gate and Gumwood Road (Ward 10)**

## Recommendation

That a by-law be enacted to amend The Traffic By-law 555-00, as amended, to implement a temporary All-Way Stop for approximately 6 months at the intersection of Cactus Gate and Gumwood Road as outlined in the report from the Commissioner of Transportation and Works, dated February 21, 2020, entitled “Temporary All-Way Stop – Cactus Gate and Gumwood Road (Ward 10)”.

## Background

The Transportation and Works Department staff received a request from the contractor that is currently working on the construction of a pumping station at the Cactus Gate parkette, to implement a temporary all-way stop at the intersection of Cactus Gate and Gumwood Road.

## Comments

Lisgar pumping station is being constructed at the Cactus Gate parkette, located west of the Black Walnut Trail and Cactus Gate intersection. Due to the type of work and the requirements for staging equipment, the intersection of Black Walnut Trail and Cactus Gate will be closed for approximately 6 months.

In order to provide pedestrians with a safe crossing of Cactus Gate, a temporary all-way stop will be required at the intersection of Cactus Gate and Gumwood Road.

The Ward Councillor supports the recommendation.

---

## Financial Impact

Costs for the signage will be accommodated in the project budget.

## Conclusion

The Transportation and Works Department supports the implementation of a temporary all-way stop at the intersection of Cactus Gate and Gumwood Road for approximately 6 months.
