This department would have no objections to the establishment of a servicing easement(s) in favor of the abutting lands to the north which are identified as 900 Eglinton Avenue East. Acknowledging that no information has been provided with regards to the types (i.e. sanitary, water, storm sewer) and location of the proposed easement, a Site Servicing Plan and Reference Plan will have to be provided for our review/approval.

In view of the above, we have no objection to the applicant's requests and are providing the following conditions/requirements for Committee's consideration:
