1. That the crossing guard location not be relocated to Sombrero Way and Brasswinds Place as the volume and traffic behaviour on Sombrero Way would be hazardous for St. Julia Catholic Elementary School students and the crossing guard.
2. That Traffic Safety Council be requested to conduct a further inspection at the intersection of Sombrero Way and Second Line West for the students attending St. Julia Catholic Elementary School to determine the traffic flow if stop sign was removed on Second Line West.
3. That Peel Regional Police be requested to enforce speeding and traffic that creates third lane to bypass the queue of traffic on Sombrero Way eastbound between the times of 8:15 8:45 AM as time and resources permit for the students attending St. Julia Catholic Elementary School.

Approved (L. Goegan)

RECOMMENDATION TSC-0095-2018

5.32 Site Inspection Report St. Julia Catholic Elementary School (Ward 11)

Site Inspection Report for the site inspection conducted on November 26, 2018 at the intersection of Sombrero Way and Second Line West for the students attending St. Julia Catholic Elementary School.

RECOMMENDATION

1. That the crossing guard remain at the current location at Second Line West and Sombrero Way as the stop signs on Second Line West and on Sombrero Way provide protection for the students of St. Julia Catholic Elementary School and the crossing guard.

RECOMMENDATION

1. That the principal of Vista Heights Public School be requested to continue to advise parents and students grade one and older to use the Kiss and Ride area instead of parking their vehicle on Roy Drive.
2. That Transportation and Works be requested to move the "No Stopping" sign just west of the school, south side, closer to the intersection of Roy Drive and that the corner prohibitions be installed on Roy Drive where it intersects with Vista Boulevard.
3. That Parking Enforcement be request to enforce "No Stopping" prohibitions on Sora Drive, Vista Boulevard and Roy Drive once the "No Stopping" Prohibitions are in place, between the peak times of 8:50 - 9:15 AM and from 3:20 - 3:45 PM.

Approved (B. Butt)

5.34 Site Inspection Report □ Hillcrest Middle School (Ward 2)

Site Inspection Report for the site inspection conducted on November 20, 2018 at the intersection of Truscott Drive and Robillard Road for the students attending Hillcrest Middle School.

RECOMMENDATION

1. That the request for the placement of a crossing guard at the intersection of Truscott Drive and Robillard Road for the students attending Hillcrest Middle School be denied as the warrants are not met.
2. That Transportation and Works, Road Safety Unit be requested to consider implementing a crossover at the walkway on the south side of Truscott Drive for students to cross Truscott Drive and access Hillcrest Middle School.

Approved (Councillor C. Fonseca)

Dear Navneet,

Further to our meeting December 11, 2018 to discuss a proposed information piece to be provided to parents of kindergarten students concerning safely delivering their child to school that schools would provide to parents of new kindergarten students, kindly see a draft below.

We truly appreciate you meeting with Mississauga Traffic Safety Council to discuss this important issue. School zone safety is a priority for us all. We look forward to working with you.

Thank you.

Hi,

Here is a draft of a proposed piece to be supplied to all schools and for them to include in the schools' information packages going out to kindergarten parents.

"If your student is not eligible for bussing, the expectation is that you or a caregiver will walk your student to school. You may find the link below helpful in determining the distance to the school and the best route to take when walking to school:

<http://www.walkandrollpeel.ca>

If you are unable to walk your student the entire distance, it is suggested that you park a few blocks from the school and then walk the rest of the way.

If walking to school is not an option, here are some things you should know:

The school has a Kiss and Ride. However at (insert name of school) kindergarten students must be delivered as per the following:

-

(drop down menu options)

-

- *Parking spaces are available on school property for you to park your vehicle and then walk your student to the kindergarten area. Please use the sidewalks and designated crosswalks when walking on school property.*

- *There is no parking on school property. You must find legal parking on the street and walk your student to the kindergarten area ensuring that the student exits the vehicle on the sidewalk, not the roadway. Please use the sidewalks and designated crosswalks when walking on school property.*
- *There are designated persons available to take your student from your vehicle in the Kiss and Ride to the kindergarten area. Please use the Kiss and Ride to drop your child off with a designated kindergarten person. Please do not get out of your car in the Kiss and Ride lane and kindly observe all Kiss and Ride rules as posted.*

(Optional) *These are the Kiss and Ride rules:"*

Looking for comments/suggestions. Navneet will make it pretty and ensure it is to Board standards.

Thanks!!

Walk to School Notes: Feb 2019

1. We are approaching Castlebridge Public School for a launch in the spring. If all goes well we will also approach the Our Lady of Mercy which is close to do a launch there as well.
2. We will do a relaunch at Ridgewood if they are agreeable.
3. When we see what the committee will look like a decision will be made as to how many relaunhes that can be handled.
4. A request from Corpus Christi was made for us to participate in a walk about as they plan to launch their school with and STP working with the Region of Peel. They have asked for us to participate in an assembly for the students in March.
5. We were given an opportunity to participate in a focus group run by Metrolinx that looked at why students do or do not walk to school. Very interesting and insightful. Eight parents were behind a two way mirror and asked a number of questions on this subject. Many of the reasons seemed funny but it was a reality for these parents. One whose child was late for school every day said that she just couldn't get him up and then it was like pulling teeth to get him dressed and fed.. Another parent had 3 boys all going to different schools and there was no other way around it except to drive them. The full report from this hasn't been sent out yet but I will share when it is available.
6. A request from Councillor McFadden's ward for a display for a safety night has come in and we will be attending .
7. We have been working with the Peel board to develop an insert for the Kindergarten registration on developing strategies for getting these new registrants to school. It tells them what to do if they are walking or using the Kiss n Ride. This should be ready for insert into the registration package by this spring.
8. We have been working with Ridgewood School, Dave Marcotte , the Parks Department and Councillor Parrish's office on ways to improve and make safer the schools kiss n ride.
