1. Inter-Cultural reach
2. Building Artistic and Economic Impact in Mississauga
3. Strengthening Governance
4. Organizational Sustainability

Please ensure you answer all the questions in the grant application completely. Your responses to each of the questions should not exceed the spaces provided and should reflect the evaluation criteria. (Point form is acceptable)

Introduction:
Provide a short description of what your festival contributes to culture in the City of Mississauga. (No more than a paragraph)
The City of Mississauga’s Culture Division has identified a number of priorities for culture in Mississauga. These priorities are essential to ensure the success of your cultural festival. You are a key part of making sure we achieve them together. In the section below answer each of the questions using the strategic priorities of the City to inform your answer. Each of your responses should be measurable and include a rationale for why you are undertaking them.

1. **Inter-Cultural Reach**
Culture should be for everyone and the City’s diverse composition should be celebrated as it contributes to Mississauga’s distinct cultural identity. Below are a few of the strategic priorities which address this principal:

- improving access to cultural opportunities
- promoting equity and inclusion
- supporting inter-cultural activities necessary for the success of the City

Using these strategic priorities address the following questions.

- **What are your plans to evolve your audience?**
  - Include plans for developing new audiences
  - Initiatives for engaging different communities
  - Rationale for new programs and locations
  - Plans for encouraging communities to feel welcome and grow
    - Communities can include but are not limited to: artistic, neighbourhoods, LGBTQ2S, newcomer, indigenous and the disability communities

Evidence must be included that shows a demand for these programs, that they are being implemented in a responsible manner and that you have the resources to initiate them.

**Outcomes**
Based on the plans and initiatives described in the above section, list your expected outcomes. Outcomes should be point form and include measurements and the rationale for how they were determined.

Examples of outcomes/measurements: Audience numbers, new communities being engaged, marketing initiatives, and innovative programs. To determine the best ways to measure your goals the S.M.A.R.T model can provide you with a good understanding of the grant requirements. This model stands for Specific, Measurable, Assignable, Relevant and Time-based goals and more information can be found on the internet or by contacting the Mississauga Business Enterprise Centre (MBEC) at mbec@mississauga.ca.
2. Building Artistic and Economic Impact in Mississauga

Strategic priorities related to this topic include:

- Growing the profile of Mississauga’s unique identity
- Placemaking
- Improving quality of life
- Celebrating traditions and a sense of community
- Positive economic impact
- Support of creative industries

Using these strategic priorities address the following questions

- Identify the specific ways your festival is providing unique experiences to Mississauga?
  - What research have you done to ensure you are not duplicating services?
- Indicate the areas of your festival which are using local artists and cultural producers.
- How are you fostering a sense of place?
- How is your festival encouraging tourism and economic activity in Mississauga?
- What is your festival doing to promote and showcase different aspects of Mississauga?

Outcomes

Based on the plans and initiatives described in the above section, list your expected outcomes. Outcomes should be point form and include measurements and the rationale for how they were determined.

Examples of outcome/measurements: number performances, international artists/Mississauga artists, amount of people coming from outside of Mississauga, total investment in the community and innovative programs. To determine the best ways to measure your goals the S.M.A.R.T model can provide you with a good understanding of the grant requirements. This model stands for Specific, Measurable, Assignable, Relevant and Time-based goals and more information can be found on the internet or by contacting the Mississauga Business Enterprise Centre (MBEC) at mbec@mississauga.ca.
In order for a festival to accomplish its goals and successfully manage its programs and services the organization must have the appropriate tools in place. The following questions will determine what tools your organization uses to strengthen its governance and maintain/grow in a sustainable fashion.

3. Strengthening Governance

Your organization’s ability to govern itself in a responsible and effective manner is necessary to achieve its goals and run the festival. The following questions will gauge your organization’s ability to manage the festival.

What has your organization done to ensure it is able to manage the festival and its programs outlined in the previous section? Include information regarding:

- Who is on your board of directors and what skills they bring to your organization?
  - What training opportunities are you providing to board members?
  - What is your plan for acquiring members with talents your organization requires?
- What skills do your staff have that are necessary to accomplish your goals?
  - What training opportunities are you providing for them?
- What necessary policies and procedures do you have in place or in development?

What is your organization doing to plan for the future success of the festival? Include information regarding:

- Strategic and succession planning activities
- What have you done to ensure clear roles and responsibilities?

Outcomes

Based on the plans and initiatives described in the above section, list your expected outcomes. Outcomes should be point form and include measurements and the rationale for how they were determined.

Examples of outcome/measurements: revised committee structures, volunteer growth, number of training opportunities, updated policies & procedures and innovative programs. To determine the best ways to measure your goals the S.M.A.R.T model can provide you with a good understanding of the grant requirements. This model stands for Specific, Measurable, Assignable, Relevant and Time-based goals and more information can be found on the internet or by contacting the Mississauga Business Enterprise Centre (MBEC) at mbec@mississauga.ca.
4. Organizational Sustainability

The culture sector in Mississauga is becoming increasingly more competitive while opportunities for festivals have been decreasing. To ensure sustainability in this environment, festivals must be responsive to change and have a plan for ensuring the health of the organization.

What has your organization done to ensure it is able to operate the festival and meet its goals? Include information regarding:

- Program partnerships
  - Details of key partnerships and the benefits for both the festival and its partner(s)
- Corporate Sponsorship
  - Details about your sponsorship plans including the number of sponsors and the amount of funding leveraged
  - How did these sponsorships enhance your festival?
- Additional Grants Received
  - Details outlining other grant opportunities you are currently pursuing
  - What is your success rate for receiving grants, including the amounts leveraged?
  - How did these grants enhance your festival?

What has been the return on investment for your funders/sponsors so they continue to support your festival?

Outcomes

Based on the plans and initiatives described in the above section, list your expected outcomes. Outcomes should be point form and include measurements and the rationale for how they were determined.

Examples of outcome/measurements: number of sponsors, grants, breakdown of earned revenues, diversity of partnerships and innovative programs. To determine the best ways to measure your goals the S.M.A.R.T model can provide you with a good understanding of the grant requirements. This model stands for Specific, Measurable, Assignable, Relevant and Time-based goals and more information can be found on the internet or by contacting the Mississauga Business Enterprise Centre (MBEC) at mbec@mississauga.ca.

Application Process

The grant applications will be reviewed by staff for completeness and eligibility. All eligible applications are then forwarded to the Volunteer Peer Assessment Committee for evaluation. Each section of the application will be evaluated by the committee on an equal basis. The committee consists of practising arts and culture professionals and residents who are not directly involved with any organization that applied for funding. The assessment committee is responsible for recommending an organization for funding and at what amount. The recommendations will then be reviewed by the Commissioner of Community Services to ensure they are aligned with City priorities.

The final recommendations will be forwarded to Council and considered at a meeting of its General Committee in early 2019. All applicants will be notified of the final recommendation regarding their application prior to the General Committee meeting. Applicants may request to make a deputation to General Committee regarding the recommendation. A staff liaison will assist with arrangements. Lastly, General Committee’s recommendations are forwarded to Council for final approval. Organizations are notified in writing of the final grant amount following Council approval. Under normal circumstances, applicants are notified four months after the application deadline.

Please Note: Receipt of a grant in one year does not guarantee funding in the following fiscal year.
Volunteer Peer Assessment

The City of Mississauga is committed to using the peer assessment process to assess strategic alignment and organizational ability within its grant programs. This process is the preferred method of assessment among most granting agencies in Canada. The Peer Assessment Committee determines the grant recipients and funding amounts for each of the City's grant programs. We encourage all organizations to participate in this process to ensure representation of Mississauga's cultural and artistic diversity.

To be eligible for the Committee, you must be a practising arts and culture professional or a community member with a background in community support. You cannot be directly involved with any of the Culture Grant programs or any organization currently applying for funding. The Volunteer Peer Assessment Committee is a four-year commitment with its members being recommended by staff and approved by Council. The next Volunteer Peer Assessment Committee will be recruited to align with the 2020 to 2023 grant cycles.

To participate in the peer assessment process individuals must complete a Peer Assessor Nomination and Consent form. This form assists Culture Division staff in establishing a comprehensive list of potential peer assessors for the Volunteer Peer Assessment Committee. The form can be obtained by contacting the Grants Officer at grantsinfo@mississauga.ca.
Support with Conditions Status

In some circumstances, the assessment committee may recommend placing an organization on “Support with Conditions Status”. Support with Conditions Status is meant to signal Council where particular organizations may benefit from more non-financial support. An organization placed on Support with Conditions Status receives additional advice and coaching from the Culture Division. Support with Conditions Status may occur if the organization:

- has a major deficit (10 percent or more of its annual operating budget), shows evidence of not being financially viable, and/or
- has a significantly reduced audience or sales base (if this differs from its own stated intentions), and/or
- does not demonstrate the ability to plan into the future, and/or
- does not address major artistic concerns, such as artistic/editorial direction, declining quality of activity, failure to achieve activity plan, and/or
- does not meet contractual obligations or minimum requirements outlined in the guidelines, and/or
- demonstrates management or governance (e.g. conflict of interest) practices which do not conform to generally acceptable practices in the sector

An organization placed on Support with Conditions Status will be required to meet quarterly with Culture Division Staff in order to review the following documentation:

- Profit & Loss Statement
- Balance Sheet
- Year-to-Date Budget
- Bank Reconciliation (only if requested specifically)
- New or Updated Business Plan
- Other Documentation as Applicable

Please note: An organization on Support with Conditions Status may have conditions attached to the release of grant funds.
