

How to Host your Event at Meadowvale Theatre

This dynamic Theatre space is available year-round and can be rented through the steps below:

REQUEST FOR ESTIMATE FORM

In order to book Meadowvale Theatre, the first step is to fill out and submit the *Request for Estimate Form* (RFE). The RFE provides an accurate estimate for your Event and will reserve your Event date(s). The RFE, available on [our website](#), must be completed and submitted to meadowvale.theatre@mississauga.ca. (In order to complete the RFE, you will need to click, “enable macros” once the document is open).

- The RFE must be submitted no earlier than one year to the event date.
- Bookings within two months of the event date will not be accepted.

FACILITY TOUR

After submitting the RFE, Event organizers may arrange a 30-minute facility tour with Meadowvale Theatre staff by emailing meadowvale.theatre@mississauga.ca.

EVENT ESTIMATE

Using the RFE submitted, the Meadowvale Theatre Supervisor will provide an estimated cost for your Event within 10 business days. Once the Event organizer accepts the estimate quotation, a Rental Contract will be prepared.

RENTAL CONTRACT

The Rental Contract is a legal agreement between Meadowvale Theatre and the Event organizer. The contract will be emailed approximately 10 business days of receiving the estimate quotation approval. This contract contains important information about the use of the Meadowvale Theatre. Event organizers are encouraged to review the contract in its entirety and direct any questions to the Meadowvale Theatre Supervisor in advance of signing.

In order to confirm your booking, Meadowvale Theatre requires:

- Non-refundable Deposit (indicated within Rental Contract)
- Signature on the Rental Contract

FEE SCHEDULE

The non-refundable deposit is due at the time of signing and the balance payment is due before the Event, as per the payment schedule in the Rental Contract. Fees will be reconciled post-event in the case of additional charges incurred or refunds owed. The final invoice will reflect the actual costs, not the estimated costs.
