

Erin Meadows Library in partnership with Vervesmith presents

University Admissions: What Parents Should Know

Erin Meadows Library
Program Room 1

Tuesday, November 22nd

6:30 – 8:30pm

Free, Registered (Limited to 30)

This is a crucial point in your child's educational journey. Our aim is to provide an overview of the university admissions process. We discuss factors to consider in choosing universities, review the various elements of admission applications, and reveal how your student can prepare a winning application. We also review the many ways you can finance post-secondary education, including scholarships, grants and the Ontario Student Assistance Program (OSAP).
