## Drop-in Programs

Storytimes feature stories, songs, and rhymes for children and their caregivers. Programs run at various times for various age groups throughout March Break.

All drop-in programs are free, and filled on a first-come, first-served basis. Be advised that space is limited at all these programs.

Check with your local library regarding specific program details.

## Registered Programs

Ticket sales and registration begins at all locations starting Saturday, February 11, 2017.

For professional performances, children under five years of age must be accompanied by a paying adult; admission for infants is free. Please note that parents are responsible for their children's supervision at all times in the Library.
