

Fall Programs For Children

The Library

Fall 2018

 **MISSISSAUGA**

Fall Programs for Children at the Library

Drop-in Programs

Storytimes feature stories, songs and rhymes for children and their caregivers.

All drop-in programs are free and filled on a first come, first served basis. Please be advised that space is limited in all programs. Check with your local library regarding specific program details.

Registered Programs

Registration and ticket sales begin at all locations on **Saturday, August 18, 2018.**

Fall Programs begin the week of **September 24, 2018.**

Please note: there will be no Library programs on October 8, 2018.

All programs are free unless there is a fee indicated. Children 10 years of age and under must be accompanied by a caregiver at all times. All attendees, children and adults, of ticketed programs must purchase a ticket (unless otherwise indicated by staff). Admission for infants is free for all programs.

Please register or purchase tickets early, as space is limited in all programs. Ticket fees are non-refundable. Library programs are for everyone – if a participant requires personal assistance, a support person is admitted to the program at no charge.

For all TEEN programs (Ages 13-19), please see our **What's On** brochure.
