## MiWay 2020 Annual Service Plan

In 2020, MiWay will enhance the grid network by connecting to new transit hubs at Kipling Station and Churchill Meadows Community Centre, as part of the **MiWay Five Transit Service Plan (2016-2020)**.

MiWay routes will be restructured to integrate with these new transit hubs and meet the City's strategic goal of developing a transit-oriented city.

We're inviting you to learn about how the upcoming changes can improve your commute throughout Mississauga.

# 10 Key Benefits of MiWay Five

The **MiWay Five** plan delivers 10 benefits to customers that are being implemented through planned service changes. These changes have been occurring every year since 2016, and the final year of the MiWay Five plan will be concluded in 2020. A new five year service plan is scheduled to begin in 2021.

1 Stronger corridors to support a grid network

2 More frequent service on main corridors

3 More service outside of weekday rush hours

4 More express routes between key destinations

5 Integration with the Mississauga Transitway

6 Direct connections between major transit hubs

7 Improved connectivity with GO stations

8 Improved connectivity with major employment areas

9 Improved connectivity with colleges and universities

10 Improved connectivity with neighbouring communities
