

Dear Neighbours,

I would like to update you about the upcoming construction at Thorncrest Park!

Thorncrest Park will soon be home to a new double tennis court that will offer more space for Mississauga residents to enjoy tennis or even pickleball as the courts will be lined for both sports. Construction is planned for this fall and is expected to last approximately 6-8 weeks, weather permitting. The project supports the 2019 Future Directions Master Plan to fill in a geographic gap in the area.

Concept design highlights includes:

- A public double tennis court with lines for pickleball play, a park pathway (unlit) and park benches.
- Courts would complement current park facilities (four 5v5 soccer fields, playground and baseball field). Two soccer fields will be reoriented and the other two will be slightly shifted to best accommodate the new tennis court.
- A park pathway will connect to Thorncrest Drive.
- Access to the existing playground would be made accessible as well as surface treatment within playground.

For more information about the project and updates, please visit [mississauga.ca/parknotices](http://mississauga.ca/parknotices) or contact **3-1-1** (905-615-4311 from outside Mississauga).

Regards,

Matt Mahoney  
Councillor, Ward 8 / City of Mississauga
